*The South Ribble Borough Council (Leyland Road, Lower Penwortham) (Prohibition of Waiting) Order 1992*

Notice is hereby given that the South Ribble Borough Council, pursuant to arrangements made under section 101 of the Local Government Act 1972, with the Lancashire County Council and after consultation with the Chief Officer of Police, proposes to make an Order under sections 1(1), 2, 3 and 4(2) of the Road Traffic Regulation Act 1984.

The intention of the above Order is to introduce waiting restrictions on Leyland Road and Talbot Road, Lower Penwortham. The restrictions on Talbot Road, will be on both sides from Leyland Road, eastwards to the entrance of No. 41 Leyland Road.

The whole length of Leyland Road, from No. 9 to Swallow Avenue, will be no parking at any time, on any day, except for both sides of the road between the dismantled railway line, to outside No. 31 Leyland Road, from the Royal British Legion Club, to outside No. 61 and, from the boundary of Nos. 62-64 to outside No. 54, Leyland Road.

Due to a number of accidents involving pedestrians, the Council has produced a remedial scheme consisting of four pedestrian refuges. At these locations the lane width will be reduced to a minimum 3.4 metres and also, taking into consideration the residential nature of the road, it is proposed to introduce waiting restrictions, prohibiting waiting at any time on any day. Thus ensuring that the carriageway is left clear of parked vehicles adjacent to the refuges thereby allowing the traffic to progress unobstructed along the road and provide areas where the visibility of pedestrians wishing to cross the road not be obscured by parked vehicles.

A copy of the draft Order, schedule, plan showing the exact lengths of road affected and statement of reasons for making the Order, can be inspected during normal office hours at the offices of the Council. Objections to the proposal, together with the grounds upon which they are made, must be sent in writing to me by 23rd October 1992.

## SOUTH RIBBLE BOROUGH COUNCIL

*The South Ribble Borough Council (Ward Street, Lostock Hall) (Prohibition of Waiting) Order 1992*

Notice is hereby given that the South Ribble Borough Council, pursuant to arrangements made under section 101 of the Local Government Act 1972, with the Lancashire County Council and after consultation with the Chief Officer of Police, proposes to make an Order under sections 1(1), 2, 3 and 4(2) of the Road Traffic Regulation Act 1984.

There are problems of indiscriminate parking of vehicles on Ward Street, especially where the road bends near to Cuerden Green Mill, and close to the junction with Watkin Lane. Also obstructions are being caused by vehicles being parked opposite each other at various points along the street. Therefore to alleviate these problems it is proposed to restrict waiting along much of the street.

The effect of the Order will be to prohibit parking at any time on both sides of Ward Street, from Watkin Lane, to a point south of Wards New Row, except for three short distances, between Nos 6 and 16, Nos 30 and 46 and, the length outside MPH Windows.

The intention of the above Order is to replace the existing waiting restrictions on Moss Lane, and to introduce additional restrictions on Cross Street, Leyland.

The reason for making the Order is to ease congestion created by parked vehicles and to allow ambulances to proceed on Cross Street without being delayed.

It will be necessary for the Order to revoke the Borough Council of South Ribble, (Various Roads, Farington and Leyland) (Prohibition and Restrictions of Waiting, Restriction of Loading and Unloading, One-Way Traffic and Prohibition of Driving) Order 1982, insofar as it relates to No. 5 in the First Schedule.

## TOWN AND COUNTRY PLANNING ACTS

### EASTLEIGH BOROUGH COUNCIL

#### PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

##### *Extension to Netley Abbey Conservation Area*

Notice is hereby given that Eastleigh Borough Council has determined that the following area:

No. 1-74 Victoria Road on the north-east side and an area bounded by Beach Lane, Southampton Water, Netley Court School and The Lodge only, to The Towers on the south-west side of Victoria Road and properties on both sides of Station Road between New Road and Victoria Road

as an area of special architectural or historic interest the character or appearance of which it is desirable to preserve or enhance and has accordingly designated the area as a Conservation Area. This area together with Netley Abbey is to be known as the Netley Conservation Area.

The designation of the area as a conservation area means that buildings within the conservation area may not be demolished without the consent of Eastleigh Borough Council, and trees within the area may not be cut down, topped, lopped, uprooted or wilfully damaged in any way without the consent of Eastleigh Borough Council. Planning applications for development which are considered by Eastleigh Borough Council to affect the character or appearance of the conservation area will be subject to public consultation and any representations received will be taken into account before the applications are determined.

A map and policies for the conservation area may be inspected during normal office hours at the Department of Technical and Development Services, Eastleigh Borough Council, Civic Offices, Leigh Road, Eastleigh, Hampshire SO5 4YN. Further information about the effect of the designation of the area as a conservation area may be obtained from the Director of Technical and Development Services.

Any comments regarding this designation should be made to the Director of Technical and Development Services within 28 days of the publication of this notice.

The Director of Technical and Development Services,  
Civic Offices, Leigh Road, Eastleigh, Hampshire SO5 4YN.

### KENNET DISTRICT COUNCIL

#### PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990

##### *Conservation Areas at Marlborough, Lockeridge and Fittleton/Haxton*

Notice is hereby given that Kennet District Council, as local Planning Authority, in pursuance of powers conferred on them by section 69 of the above Act have amended the boundaries of the existing Conservation Areas at Marlborough, Lockeridge and Fittleton/Haxton.

Plans showing the boundaries of the Conservation Areas are available for inspection during normal office hours at the Planning and Environmental Services Department, Browfort, Devizes SN10 2AT.

Please note that it is necessary to obtain Conservation Area Consent from the Council to demolish any building, or part of a building, with certain minor exceptions, which is situated within any Conservation Area. It is an offence to carry out demolition without the necessary Consent having first been obtained.

It should be also noted that any person wishing to cut down, top, lop, or uproot any tree must give the Council six weeks notice of his intention to do so.

Furthermore, whereas certain minor developments may be carried out without planning permission, in a Conservation Area the extent of development allowed by the Town and Country Planning General Development Order is less than generally available. Any person wishing to carry out development in a Conservation Area is therefore strongly urged to contact the Council to ascertain if permission is required.

P. L. Owens, Chief Executive

### WEST WILTSHIRE DISTRICT COUNCIL

##### *Boyton Conservation Area*

Notice is hereby given that the West Wiltshire District Council, in pursuance of its powers under section 69 and 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990 has designated Boyton Conservation Area. The area has been so designated because the Council considers it to be an area of Special Architectural Interest, the character of which it is desirable to preserve or enhance. The effect of designation is that within the Conservation Area:

1. The demolition of certain buildings is brought within listed building control;
2. Any person proposing to do work on trees in the area is required to give 6 weeks prior notification to the Local Planning Authority of his intention, unless the trees are already protected by a Tree Preservation Order, in which case an application for consent will be required;
3. The Council comes under a duty to formulate and publish proposals for the preservation and enhancement of the area;
4. Planning applications for development which would, in the opinion of the local planning authority, affect the character or appearance of the Conservation Area must be given publicity and representations in consequence taken into account in determining the application.

# Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:

## *Hansard*

### The Official Verbatim Report of Parliamentary Proceedings

Hansard reflects opinion on all topics of the day and is of great interest to the business or professional man. In addition to a factual word-for-word transcription of speeches in debate, it contains the answers to all Parliamentary Questions, complete Division Lists, and following each session details of the composition of the House. Proceedings up to 10 p.m. each day are reported in the issue on sale at 8.30 the following morning at the Government Bookshop in Holborn. A Weekly Edition is also published, and bound volumes are issued periodically during the session. Standing Orders can be accepted, if a suitable deposit is sent, for debates on definite subjects.
