NORTHAMPTONSHIRE COUNTY COUNCIL

The Northamptonshire County Council (Brook Street, Daventry) (Restriction of Waiting) (Experimental) Order 1992

Notice is hereby given that the Northamptonshire County Council have made an Experimental Order the effect of which will be to amend the Northamptonshire County Council (Various Roads, Daventry) (Prohibition and Restriction of Waiting) Order 1988 by substituting the prohibition of waiting of vehicles with a restriction on the waiting of vehicles in the length of Brook Street, Daventry detailed below.

Length of Road to which Restriction applies: That length of Brook Street, Daventry on the west side, from a point 11 yards north of the western kerb-line of Tavern Lane for a distance of 46 yards in a northerly direction. Between the hours of 9 a.m. and 6 p.m. on any day other than a Sunday.

Reason for Restriction: The proposed Order is required because a small temporary car park at the bottom of Brook Street is due to be developed into shops and offices and this would result in a lack of parking facilities which would affect the traders. A restriction is necessary to prevent office and shop workers parking their vehicles in the length of road specified above all day.

Period of Restriction: The Experimental Order will come into effect on 9th November 1992 and will continue in force for a period of 12 months. A copy of the Order together with a plan showing the length of road to which it relates, the 1988 Order, and a statement of the Council's reasons for proposing the Order, may be inspected at the Area Surveyor's Office, Annex House, London Road, Daventry, or at the office of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. and 4 p.m. Mondays to Fridays inclusive.

Objections: Objections to the Experimental Order, stating the grounds on which they are made, should be sent in writing to the undersigned by not later than 9th May 1993. After this, consideration will be given to making the Experimental Order permanent.

Notice is hereby given, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, that Worcester City Council resolved on 8th September 1992 to designate from that date the area described below as a conservation area within the City of Worcester, in view of its special architectural or historic interest the character or appearance of which it is considered desirable to preserve or enhance. The area will be known as Riverside Conservation Area No. 16.

The area so designated consists of the River Severn (the River) and its flood plain within the City, and includes properties which front onto the River or are an integral part of the character and appearance of the riverside.

Without prejudice to the generality of the above description, the area is contained by the following boundaries. From the northern City boundary, the area boundary follows in a southerly direction and includes Old Northwick Farm and properties fronting the River on the east side, and the City boundary on the west side. On the east side, in a southerly direction, the boundary follows and the area includes the waterworks, Pitchcroft, Newport Street, Bridge Street, South Parade, Kleve Walk, Diglis Hotel and Diglis Parade, and then follows a riverside footpath, the area within the boundary including Diglis tip at Cherry Orchard and properties fronting the river up to and including the Ketch Inn and Caravan Park and then follows the west side of the A38 as far as the southern City boundary. The western boundary continues southwards and the area within it includes Cripplegate Park, Chapter Meadows and properties to the east of Bromwich Road southwards to although excluding No. 165 Bromwich Road and also includes the sewerage works and Manor Farm, and the boundary then follows the eastern side of Malvern Road westwards until it crosses and then follows Old Malvern Road, including the former electricity works at Powick Bridge, and meets the western City boundary where that boundary crosses the River Teme. The southern boundary of the area follows the River Teme eastwards, and includes the River Teme flood plain, as far as the A88. The area so designated is shown on drawing numbers 440.9/64 Maps 1-8 (inclusive) and is more particularly described in the designation document entitled "Riverside Conservation Area No. 16".

The effect of designation is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area designated. In particular, controls are applied regarding the demolition of buildings. Control is also imposed in respect of the display of advertisements and the felling, topping and lopping etc. of trees in the area. Penalties apply in the event of violations against this control.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.
