Notice is hereby given that an application is being made to the National Rivers Authority, Southern Region, by R. M. Godin, Dewlands Manor Golf Course, Rotherfield, East Sussex TN6 3JN, for a licence to abstract the following quantities of water from an existing borehole into the Ashdown Sands strata to sustain the level of lakes and ponds within the above property and re-abstract from one of the lakes for spray irrigation at the following point of abstraction: Borehole TQ553292, 1,200 cubic metres per year, 80 cubic metres per day and 3.5 cubic metres per hour. Re-abstract from the lake near TQ548289 would be at 16 cubic metres per hour. The daily annual totals for the pond will be as for the borehole. Further details of the application are: The borehole was originally used for my own private estate and golf course. I am now developing the estate as a commercial venture. The lake to be used for re-abstract is near the borehole. The quantities applied for are similar to those used when this was a private estate.

A copy of the application and of any map, plan or other document submitted with it may be inspected, free of charge, at Dewlands Manor, Rotherfield, East Sussex TN6 3JN, at all reasonable hours, during the period beginning on 13th November 1992, and ending on 10th December 1992.
