TOWN AND COUNTRY PLANNING ACTS

CHERWELL DISTRICT COUNCIL

Planning (Listed Buildings and Conservation Areas) Act 1990

Notice is hereby given that the Cherwell District Council has, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, designated the areas as described in the Schedule below as the Somerton Conservation Area, Tadmarton Conservation Area and Williamscoth Conservation Area. The Council has also, following a review of the Bicester Conservation Area boundary, designated the further areas for inclusion, as described in the Schedule below. Plans of the said areas may be inspected at the Cherwell District Council Offices, Bodicote House, Bodicote, Banbury, Oxon, during normal office hours.

The effects of the designation are:

- All planning applications for development which would affect the character of the Areas must be advertised and the site notices must be posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- Cherwell District Council, as the local planning authority, will exercise particular care to ensure that change, when it occurs, will preserve or enhance the appearance and character of the Areas.
- No building in a conservation area may be demolished or partially demolished without conservation-area consent having first been obtained from the local planning authority. (For alteration, demolition or extension of listed buildings in a conservation area, listed-building consent must be applied for, and this takes precedence over conservation-area consent). Exceptions to this rule are those laid down in paragraph 97 of Department of the Environment Circular 8/87. These exceptions mainly affect small buildings within the curtilage of a dwellinghouse; gates, walls, fences or other enclosures below a certain height; temporary buildings; certain agricultural and industrial buildings; and buildings required to be demolished under the provisions of the Town and Country Planning Act 1990, the Housing Act 1985 or the Pastoral Measure 1983. Planning permission is required for some alterations to dwellings due to their locations within a conservation area. This control is exercised over all dormer windows and external cladding.
- It is an offence to cut down, top, lop, uproot or wilfully damage or destroy any tree (not already the subject of a tree preservation order) in a conservation area without giving six weeks' notice to the District Council. This provision does not relate to trees covered by a felling licence, to dead trees, to trees which do not exceed 77mm (3 inches approx.) in diameter, or to certain other trees, details of which can be obtained from the address above.
- Cherwell District Council, as the local planning authority, will require planning applications in these Conservation Areas to be accompanied by sufficient details to enable the impact of the proposed development on the character of the Conservation Areas to be assessed. This may include details of scale, massing, design and materials of buildings and their relationship to existing buildings.

G. J. Handley, Chief Executive

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
