HAVANT BOROUGH COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Extension of the boundaries of a Conservation Area

Notice is hereby given that the Council of the Borough of Havant, being the District Planning Authority for the Borough, hereby give notice of the designation of extensions to boundaries of an existing Conservation Area under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, encompassing parts of the Borough which they have determined as areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance, namely extensions to the existing Emsworth Conservation Area.

A map, more precisely showing the area of extension may be inspected during normal office hours at the Department of Environmental Services, Civic Offices, Civic Centre Road, Havant, at any time after publication of this notice.

The effect of designation of the extensions to the boundaries of the Conservation Area is that special attention is to be paid within the areas of extension (as in the original Conservation Area) to the desirability of preserving or enhancing the character or appearance of the Conservation Area in the exercise of relevant statutory provisions and that certain special control is applied to it; so that, for example, any application for planning permission as to development which would affect its character or appearance must be specially advertised and notified, consent is required from the local planning authority to the demolition of any building in the area, trees in the area are especially protected and special forms of advertisement control may be applied. This is a summary of a number of extensive statutory provisions and any person wishing to be advised of the implications for a particular proposed development is advised to make enquires to the Council's Director of Environmental Services, at the address above.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes.

It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
