##### *Bodinnick Conservation Area*

Notice is hereby given that the Caradon District Council in pursuance of its powers under sections 69 and 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990, designated the village of Bodinnick as a Conservation area, on 19th November 1992. The boundaries are as follows:

The southern boundary runs from the riverside into National Trust land just south of the War Memorial. It then turns eastwards along field boundaries to Hall Farm holding, as far as and including Orchard Cottage and The Moorings; thence across the valley to the northern boundary, which turns westwards along the rear of Jarn Syvy and Overferry, turning again northwards and keeping to the field boundary of O.S. 0938 to a point some 40 metres north of the Council's car park and the Bungalow on the New Road. The boundary then turns north-west down to the river to encompass the land and property of New Quay Cellars.

A plan showing the Conservation Area referred to above may be inspected during normal office hours at the Planning Services Department, Caradon District Council, Luxstowe House, Liskeard. The effect of designation is summarised as follows:

- (1) Anyone wishing to demolish a building or part of a building within a Conservation Area must first apply for Conservation Area Consent to the Local Planning Authority (window replacement being included).
- (2) Anyone wishing to cut down, lop, top uproot, or damage any tree within the Conservation Area must give the Local District Council 6 weeks notice of his/her intention.
- (3) A dwelling may be extended, subjected to conditions, by up to 10 per cent, or 50 cubic metres, whichever is the greater.
- (4) The erection, within 5 metres of a dwelling, (and within its curtilage) of any building greater than 10 cubic metres, requires planning consent.
- (5) Anyone failing to maintain in a proper state of repair any unoccupied Listed Building or, in certain circumstances, an unoccupied unlisted building, is liable for any costs incurred by the Local Planning Authority in carrying out urgent repairs under the terms of section 54 of the Act.

### WILTSHIRE COUNTY COUNCIL

#### *Review of Mineral Working Sites in Wiltshire*

Notice is hereby given that Wiltshire County Council (in the week December 1st) will re-commence the review of all mineral sites in the county to assess the adequacy of existing planning permission in controlling the working and restoration of sites. Under the provisions of the Town and Country Planning (Minerals) Act 1981, local planning authorities have been given powers to control the environmental effects of mineral workings. The County Council is the local planning authority responsible for mineral sites in Wiltshire.

The main mineral operations in the county are concerned with the extraction of sand and gravel, chalk and building stone. Mineral extraction can have a major impact on the environment as minerals can only be worked where they are found. Imposing planning conditions on mineral workings reduces the possibility of adverse environmental effects that may be associated with mineral operations.

The review in Wiltshire will include all sites where planning permission has been granted for mineral working. The aim is to ensure planning conditions are in line with current requirements, and they satisfactorily cover the effects a particular mineral operation has on the environment. Every site reviewed will be assessed. The

sites seen to have the most serious planning problems will be dealt with first.

Any enquiries should be sent for attention of the Minerals Section, Department of Planning and Highways, County Hall, Trowbridge BA14 8JN. (542)

### NORTH WILTSHIRE DISTRICT COUNCIL

#### PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990

##### *Notice of Designation of Purton Conservation Area, Purton, Wiltshire*

Notice is hereby given that North Wiltshire District Council designated the above-named Conservation Area on 19th November 1992.

A plan of the Purton Conservation Area is available for public inspection, free of charge, at the District Council Offices, Planning Department, Monkton Park, Chippenham, Wiltshire, at the following times:

8.45 a.m. to 5.15 p.m. Monday to Thursday.  
8.45 a.m. to 4.45 p.m. Friday.

The Conservation Area encompasses the previous Purton Conservation Area designated in January 1975 and extends the area to include the village centre to the north, and the Cricket Ground to the south.

The principle objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local planning authority 6 weeks notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority considers would affect the character of appearance of the Conservation Area or the setting of a Listed Building. The application will not be determined for 21 days, after the notice is first displayed, during which time representations relating to any such application may be made to the Council. In determining the application the local planning authority shall take into account the representation made.

Further information is available from the Planning Department, North Wiltshires District Council, Monkton Park, Chippenham, Wiltshire SN15 1ER. (Tel. Chippenham (0249) 443322 Ext. 670). (731)

# Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
