### ROAD TRAFFIC REGULATION ACT 1984

#### *The A303 Trunk Road (Blackford Junction and Yarlinton Junction, Somerset) (Prohibition of use of Gaps in Central Reservation) Experimental Order 1992*

#### *Extension of Order for twelve months*

The Secretary of State for Transport hereby gives notice that he has extended the experimental traffic regulation Order, under section 9(4) of the Road Traffic Regulation Act 1984, on the A303 Trunk Road between Chapel Cross, Overbridge and its junction with the unclassified road leading to Higher Clapton Farm at Dancing Cross in the district of South Somerset. The Order will remain in force for a further twelve months.

The Order prohibits the use by vehicular traffic of the gaps in the central reservation at Blackford opposite the junction of the A303 trunk road with the short link road to the old A303 and at Yarlinton opposite the junction of the A303 trunk road with the unclassified road which leads to the A371. This proposal has improved road safety on this length of trunk road by preventing right turns across the trunk road at these junctions. The junctions allow left-on and left-off turns only, with traffic wishing to turn right continuing to use the existing road system, at the Chapel Cross, Dancing Cross or Wincanton Interchanges.

The extension continues the safer road conditions whilst consultations with local authorities, local communities and landowners on a proposal to construct a new road to connect Woolston Lane with Yarlinton Road on the north side of and parallel with the A303 providing a north to south connection between Yarlinton Road and the road to Sigwells and Blackford by the existing bridge under the A303 on Woolston Lane are carried out.

A copy of the Order and a plan illustrating the proposal may be inspected at the offices of Somerset County Council, County Hall, Taunton; of South Somerset District Council, Brympton Way, Yeovil; and at Sparkford Post Office, Sparkford, Yeovil, or obtained by application to the Department of Transport, South-West

## OXFORD CITY COUNCIL

*Disabled Persons' Parking Places—Blackbird Leys and Littlemore—Control of Use*

Notice is hereby given that the Oxford City Council as agent for the Oxfordshire County Council, is proposing to control the use to which disabled persons' parking places in *Blackbird Leys* and *Littlemore* are put. At present the disabled persons' parking places which have been marked out on street in these areas have no legal statutes and therefore, if a vehicle not displaying a disabled drivers' badge is parked there, no enforcement action can be taken because no offence is being committed.

The Council is proposing to remedy this situation by making a parking place Order which will restrict the use of disabled persons' parking places in these areas to vehicles displaying a disabled drivers' badge and thus enable effective enforcement to be carried out if other vehicles park there.

The on-street disabled persons' parking places which are to be controlled in this way are located as follows:

*Littlemore:*
