TOWN AND COUNTRY PLANNING ACTS

KENNET DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACTS 1990

Conservation Areas as Alton, Burbage and Woodborough

Notice is hereby given that Kennet District Council in pursuance of powers conferred by section 69 of the above Act have designated Conservation Areas at Alton Barnes/Priors, Burbage, and Woodborough being villages of architectural or historic interest which it is desirable to preserve and enhance.

Plans showing the boundaries of the designated areas are available for inspection during normal office hours at the Planning and Environmental Services Department, Browfort, Devizes SN10 2AT.

Please note that it is necessary to obtain Conservation Area Consent from the Council to demolish any building or part of a building with certain minor exceptions, which is situated within any Conservation Area. It is an offence to carry out demolition without the necessary Consent having first been obtained.

It should be also noted that any person wishing to cut down, top, lop, or uproot any tree must give the Council six weeks' notice of his intention to do so.

Furthermore, whereas certain minor developments may be carried out without planning permission, in a Conservation Area the extent of development allowed by the Town & Country Planning General Development Order is less than generally available. Any person wishing to carry out development in a Conservation Area is therefore strongly urged to contact the Council to ascertain if permission is required.
