Notice of application to vary a licence to abstract water

Take notice that Redland Aggregates Ltd., of Redland House, Reigate, Surrey RH2 0SJ, is applying to the National Rivers Authority to vary licence serial No. 28/39/23/11 to abstract water from underground strata at National Grid References SU 7383 7498 and SU 7383 7497 at Caversham Quarry, Lower Henley Road, Caversham, Oxfordshire.

The variation being applied for is an increase in the licensed quantity for mineral processing to 560,000 cubic metres per annum and an additional licensed quantity for concrete production of 4,000 cubic metres per annum. The increased quantity for mineral processing will be subsidised by some of the unused quantity authorised by the Company's other licensed abstraction at the adjacent Sonning Quarry. Therefore the overall demand to satisfy the Company's mineral processing requirements at Caversham will not exceed the current total licensed quantity from both sites. Furthermore most of the water will be re-circulated within the site and returned to source, as is present practice, thereby minimising the effect on groundwater.

A copy of the application and any map, plan and other documents submitted with it may be inspected free of charge at all reasonable hours at Caversham Quarry, Lower Henley Road, Caversham, between 11th May and 8th June 1993.

Any person who wishes to make representations about the application should do so in writing to Catchment Control Manager, NRA Thames Region, Kings Meadow House, Kings Meadow Road, Reading RG1 8DQ, before the end of the said period.

It follows the south-west boundary of the Church's curtilage and continues along the edge of the field (O.S. No. 1935) which parallels Combs Lane. It runs along the southern edge of the curtilages of Mossy Lea and the The Cottage and rejoins the southern edge of Combs Lane for approximately 35 metres, before leaving the road again to run behind Hitch Croft and Rye Flatt Cottage. It then turns south and then east around the stone-built buildings of Rye Flatt Farm and crosses the lane to follow the southern curtilage boundary of Bracken Clough. It then turns north along the eastern edge of Bracken Clough and Rye Flatt to rejoin the Peak District National Park boundary on Combs Lane.
