(a) for paragraph 2 there shall be substituted the following paragraph—

"2. The standards of performance so established (in this Condition referred to as "the established standards") shall, in particular—

(a) govern the making of visits to customer's premises and the response to complaints and enquiries made in person, by telephone, in writing or otherwise in respect of gas supply services; and

(b) take into account the interests of those who are disabled or of pensionable age."

(b) for paragraph 5 there shall be substituted the following paragraph—

"5.(1) The Supplier shall establish and shall operate a scheme for compensating persons affected by failures to meet the established standards.

(2) The scheme so established shall provide for the Supplier making to any such person by way of compensation a specific sum and any such further compensation as may be appropriate.

(3) The scheme so established shall provide, in any case where a dispute as to the making of compensation under the scheme arises, between Supplier and a tariff customer of the Supplier, for the Supplier to inform the other party to the dispute of the functions of the Director relative to the determination of such a dispute."

(c) in paragraph 6(b), for the words "in such manner as will secure adequate publicity for them" there shall be substituted the words "in such form and manner as the Director may direct";

(d) for paragraph 7 there shall be substituted the following paragraph—

"7. The Supplier shall, as soon as practicable after the end of the financial year ending on 31st December 1993, and of each subsequent financial year, furnish to the Director and publish, in such form and in such manner as the Director may direct—

(a) a report on—

(i) the levels of performance achieved by the Supplier in that year in relation to the established standards; and

(ii) the operation of the compensation scheme during that year;

(iii) such research as the Supplier has carried out with a view to discovering the views of representative samples of persons on the levels of performance so achieved and the operation of the compensation scheme in that year; and

(b) a statement of the levels of performance proposed to be achieved by the Supplier in the ensuing financial year in relation to the established standards."

(e) in paragraph 8(1) for the words "7(2)(b)" there shall be substituted the words "7(b) above".

2.(1) The reasons why the Director proposes to make the modifications are as follows—

(a) in the case of the modification set out in paragraph 1(a) above, to require the standards of performance established by British Gas to take into account the interests of those who are disabled or of pensionable age;

(b) in the case of the modification set out in paragraph 1(b) above, to require the compensation scheme established by British Gas to provide for the payment by way of compensation of specific sums and such further sums as may be appropriate and, in the case of disputes, for British Gas to inform the other party of the functions of the Director relative to the determinations of disputes, that is to say the functions of the Director under section 31 (duty to investigate certain matters) and 28 (orders for securing compliance with certain provisions) of the Act;

(c) in the case of the modification set out in paragraph 1(c) above, to require British Gas to publish the established standards and particulars of the compensation scheme in such form and manner as the Director may direct;

(d) in the case of the modifications set out in paragraph 1(d) and (e) above, to remove spent provisions as to the furnishing of required reports to require British Gas to publish such reports in such form and manner as the Director may direct, to require British Gas to include in future reports a report on research carried out by British Gas as to the views of representative samples of persons on the level of performance and the operation of the compensation scheme in the year to which a report relates and to make a consequential change.

(2) a further reason why the Director proposes to make the modifications set out in paragraph 1(b) to (d) above is to impose requirements on British Gas similar to the requirements that might be imposed on it, if the powers of the Director under section 33A (and in the particular subsections (3)(a) and (4)) of the Act to make regulations prescribing standards of performance, had been exercised.

3. Any representations or objections, with respect to the proposed modifications may be made to the Director at the office of Gas Supply, Stockley House, 130 Wilton Road, London SW1V 1LQ, before 31st August 1993.

# Statutes in Force

## A vital reference work on the law of the land

### What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
