The map may be inspected by prior appointment (telephone No. 071-238 3424) between 9.15 a.m. and 4.45 p.m., Monday to Friday, until Wednesday, 28th July 1993.

2. This invitation does not form part of a licensing round.

- (a) applications should be made on a standard application form available from the Department of Trade and Industry (at the address given at paragraph 1 above);
- (b) applications should be delivered to the Oil and Gas Division of the Department of Trade and Industry, at 1 Palace Street, London SW1E 5HE, between 10 a.m. and 12 noon, on Thursday, 2nd September 1993, together with a remittance in respect of the appropriate application fee of £1,000;

- (d) applicants are requested to provide details of the work programme they intend to carry out if awarded a licence;

(f) further guidance on the material with which applicants may support their applications is given in the Guidance Notes available from the Department of Trade and Industry.

Applicants will be judged against the background of the continuing need for expeditious, thorough, efficient and safe exploration of oil and gas resources within the mainland of Great Britain with due regard to environmental considerations. In addition, the financial and technical capacity of each applicant, as a threshold of acceptability, will be a paramount consideration before evaluations of competing applications are made upon technical criteria. Greatest weight will be put on the exploration rationale for the area applied for, and the related work programme but the database and experience available to the applicant will also be relevant considerations.

5. Following examination of all such applicants the Secretary of State will select the applicants to whom he is prepared to award licences. If there are two or more applicants for the block who would be equally acceptable to the Secretary of State as licensees for that block he may suggest that the licences should be held jointly by some or all of the applicants.

6. Unsuccessful applicants will be notified in writing.

Conditions

7. In all cases where the Secretary of State is prepared to award a licence, it will be offered on condition that, within 14 working days of the date on which the Secretary of State makes the offer, the applicant;

- (b) he remits to the Secretary of State the appropriate consideration referred to in paragraph 8 below for the licence.

Consideration for Licences

8. The Secretary of State, with the consent of the Treasury, has determined that until further notice the consideration for exploration licences under Clause 7(1) of Schedule 3 to the above Regulations shall, upon grant of this licence to the licensee be a non-recurrent fee calculated at the rate of £75 per square kilometre in the licensed area. The Secretary of State for Transport hereby gives notice that the lengths of Highway detailed below were first open to public traffic on 14th October 1991 after completion of carriageway alterations.

Under Part I of the Land Compensation Act 1973 (as amended) there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge on to the land in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date twelve months after the highway is first open to public traffic or, in the case of an altered highway first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements. WOODSPRING DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Notice of Designation of Conservation Area: Portishead (Eastwood) Conservation Area

Notice is hereby given that the Woodspring district Council, by resolution dated 9th March 1993, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, have designated the area specified in the Schedule hereto within the District, in the county of Avon, as a Conservation Area, being an area of Special Architectural or Historic Interest, the character or appearance of which it is desirable to preserve or enhance.

The effect of the designation will be that planning applications for development, which would in the opinion of the District Planning Authority affect the character or appearance of the area, will be given due publicity and special attention will be paid in the exercise of any powers under planning and allied legislation to the desirability of preserving or enhancing the character or appearance of any buildings or other land in the area, and to give the District Planning Authority powers of control in relation to certain development, the demolition of buildings with certain specified exemptions, and the display of advertisements in the Conservation Area. The provisions of the Town and Country Planning General Development Order 1988, as amended will also apply to the area. In addition, the control over the treatment of trees will apply in the Conservation Area. The effect of this provision in general terms is that any person wishing to cut down, top, lop, uproot or otherwise damage or destroy any trees not already covered by a Tree Preservation Order must give the District Planning Authority 6 weeks' notice of his/her intention. Particulars of such notice are to be recorded by the Council in a register open to public inspection. The purpose of this provision is to give the District Planning Authority an opportunity to make a Tree Preservation Order where appropriate before the work proposed is carried out. It constitutes an offence to begin work without giving the required notice (or without the District Planning Authority's specific consent within the six week period).

A plan showing the boundary of the Conservation Area is available for public inspection during normal office hours at the Town Hall, Weston-super-Mare, between 9 a.m. and 5 p.m. on

Mondays to Thursdays and between 9 a.m. and 4.30 p.m. on Fridays, and at the Folk Hall, High street, Portishead, between 9 a.m. and 1 p.m., Mondays to Fridays.

Having designated the areas the Council will apply the policy statements relating to conservation contained in the Clevedon, Nailsea and Portishead Local Plan.
