### STAFFORDSHIRE MOORLANDS DISTRICT COUNCIL

#### *Bagnall Conservation Area*

Notice is hereby given that on 27th February 1993, the Staffordshire Moorlands District Council approved alterations to the Bagnall Conservation Area under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990. The Conservation Area now comprises the existing area with revised southern and western boundaries as described below:

From the existing Conservation Area boundary to the west of "Crayford" on Clewlovs Bank south and west along the field boundary immediately to the north of Manor House Farm and then to the west and rear of the farm buildings across the farm lane and then south-east along the lane to the rear boundary of the properties on the west side of The Green and then south, south-east and north-east along the road boundaries to include The Green and then in a general easterly direction along the rear boundaries of Old Hall Farm, Bagnall Hall, Bank Farm and other properties to rejoin the existing Conservation Area boundary on Springs Bank.

This revision means that all land and properties to the south and west of the revised boundary are now excluded from the Conservation Area.

#### *Cheadle Conservation Area*

Notice is hereby given that on 19th December 1992, the Staffordshire Moorlands District Council approved alterations to the Cheadle Conservation Area under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990. The Conservation Area boundary has now been revised as follows:

From the existing Conservation Area boundary at the east entrance to the Tape Street car park south along Tape Street and then along the southern side of the Kwik Save Supermarket and then along the west side of the southern entrance to the Tape Street car park and then across Chapel Street and along

the west side of the Methodist Church and Church Hall to Charles Street. The boundary then runs south-east to (and including) No. 22, Chapel Street and then in a generally western direction along the southern and western boundaries of St. Giles R.C. Primary School. From this point the boundary follows the rear boundaries of the properties on the south side of Bank Street as far as No. 40 and also to the rear of (and including) Nos. 1 and 2, Lid Lane. It then runs north-west along Watt Place to the rear boundary wall of The Manor and then continuing north-west along the rear boundary of The Manor and across The Terrace. From here the boundary runs west along the north side of The Terrace to Park Lane and then north-west along Park Lane for a distance of approximately 55 metres before turning north-east along the north-west boundary of Blossom Court and then along the boundary wall between the churchyard and the cemetery to Hall Orchard and then south-east along Hall Orchard to Prince George Street. From here the boundary runs along Prince George Street before following the rear boundaries of No. 15, Prince George Street and No. 1, Monkhouse. The boundary turns north-west to opposite No. 2, Monkhouse and then in a general north-easterly direction towards (but not including) Cheadle Waterworks to the rear of No. 19, Monkhouse and then south-east to the rear of No. 53, Prince George Street. From this point the boundary follows the rear boundaries of the properties on the west side of Prince George Street as far as and including Daisey Bank. The boundary then crosses Leek Road and continues along the east side of it as far as No. 24, Leek Road, before following the high wall south of Windy Arbour in an east and south-east direction to the rear of No. 47, Queen Street. The boundary then turns south-west and continues along the rear boundaries of the north side of Queen Street to (but not including) No. 3, where it turns south to cross Queen Street and follows the rear boundary wall of the Alton Castle Public House before crossing Tape Street to the eastern entrance of the Tape Street car park.

#### *Endon Conservation Area*

Notice is hereby given that on 27th February 1993, the Staffordshire Moorlands District Council approved alterations to the Endon Conservation Area under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990. The Conservation Area is proposed to be split into a northern part centered around Brook Lane and the well and a southern part centered around the Church with revised boundaries as described below:

*Northern Part:* The new boundary will run from the watercourse adjacent to Brook Cottage north along the rear of the properties on Gratton Lane and then eastwards across the lane and along the field boundary to (but not including) "Daisy Bank", and then south along the field boundary to Brook Lane and the east along the lane and then following the existing Conservation Area boundary south and west to the north-west corner of (but not including) "Brookside" on Brook Lane and then north along the western field boundary to the rear of "Barncroft" and then east along the watercourse to Brook Cottage.

*Southern Part:* From the existing western boundary of the Conservation Area adjacent to (but not including) No. 81, High View Road along the north-western and north-eastern sides of Endon Bank farmstead and then along a field boundary in a north-easterly direction to the graveyard. The revised boundary will then include the existing new graveyard and the land for the proposed graveyard extension. From the eastern corner of the new graveyard the revised boundary will follow field boundaries in a northerly, south-easterly, northerly and easterly direction to rejoin the existing Conservation Area boundary on the south side of (but not including) "Belmont" on Brook Lane.

This revision means that all the land and properties to the west of these revised boundaries and part of one field to the north of Brook Lane are now excluded from the Conservation Area. A further part of a field between Gratton Lane and "Daisy Bank" has been included in the Conservation Area.

#### *Ipstones Conservation Area*

Notice is hereby given that on 27th February 1993, the Staffordshire Moorlands District Council approved alterations to the Ipstones Conservation Area under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990. The original Area comprised two parts known as Area One to the north and Area Two to the south. This arrangement is maintained with revised southern boundaries as described below:

*Area One:* From the eastern boundary of the Conservation Area in front of (but not including) The Haven on Brookfields Road north along the road to the boundary between The Haven and The Terrace and then west along this boundary and the north along the boundary between No. 34, The Terrace and Nos. 22 and 24, Mayfield Avenue and then west along the northern boundary of the houses of Mayfield Avenue and then south along the rear of the properties fronting onto Frogghall Road to the existing Conservation Area boundary south of Holmwood Lodge.

*Area Two:* From the eastern boundary of the Conservation Area at the south-east corner of No. 79, Brookfield Road along the southern boundary of same and then west along the road to the existing Conservation Area boundary.

This revision means that all land and properties to the south of the revised boundaries are now excluded from the Ipstones Conservation Area.

#### *Stanley Conservation Area*

Notice is hereby given that on 27th February 1993, the Staffordshire Moorlands District Council approved alterations to the Stanley Conservation Area under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990. The Conservation Area now comprises the existing Area with a revised southern boundary as described below:

From the eastern boundary of the Conservation Area along Grass Road to its junction with Puddy Lane and then west along Puddy Lane to the quarry and then along the public footpath through the quarry to the boundary wall of Addlestone Manor (but not including the Manor) and then along the north-eastern boundary wall of Addlestone Manor and then north along the field boundary to the junction of Puddy Lane and Stanley Moss Road and then west along the watercourse to the existing Conservation Area boundary.

This revision means that all the land and properties to the south of the revised boundary are now excluded from the Stanley Conservation Area.

Maps showing the revised Conservation Areas are available for inspection in the Planning and Estates Department of the Staffordshire Moorlands District Council, Moorlands House, Stockwell Street, Leek, Staffordshire ST13 6HQ. (781)
