In the case of animals destined for Great Britain but which first enter the Community through a Border Inspection Post in another Member State, it is the responsibility of the owner or his representative to obtain prior agreement from

If the provisions of the Order continue in operation for a period of not less than 6 months, the Council will consider in due course whether the provisions of the Order should be reproduced and continued in force indefinitely by means of an Order made under section 45 of the said Act of 1984.
