LAND COMPENSATION ACT 1973 (AS AMENDED)

The Secretary of State for Transport hereby gives notice that the westbound carriageway of the M4 between junctions 4a and 5 was first open to public traffic on 8th June 1993 after completion of carriageway alterations.

Under Part I of the Land Compensation Act 1973 (as amended) there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge onto the land in respect of which the claim is made

of any solid or liquid substance). Compensation is assessed by reference to prices current at a date twelve months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the Act and there are special provisions relating to claims by mortgages and persons entitled under trusts or settlements.

Any person entitled to a qualifying interest who considers he has a claim under the said provisions may obtain further information and claim forms from the Department of Transport, Motorway Widening Unit, Friars House, Manor House Drive, Coventry CV1 2TD.

Claims may be made twelve months after the new or altered highway is first open to public traffic, that is on or after 8th June 1994 (the "first claim day"). Claims should be made within six years from this date. However, any person who within the twelve months preceding that date makes a contract for disposing of his interest or (insofar as the interest is in land which is not a dwelling) for granting a tenancy may make a claim within that period and must do so before the interest is disposed of or the tenancy granted. Compensation in such cases will not be payable before the first claim day.

HIGHWAYS ACT 1980

ACQUISITION OF LAND ACT 1981

The City of Coventry (North/South Road Phase 2) Compulsory Purchase Order 1993

Notice is hereby given that a Public Local Inquiry in connection with the above Order will be held by A. G. Booth (a person appointed by the Secretary of State for Transport for the purpose) at the offices of the City of Coventry, Committee Room 1, The Council House, Earl Street, Coventry on Tuesday, 28th September 1993 at 10 a.m. to hear representations from persons interested in the land comprised in the Order, and at his discretion to hear representations from any other persons who may desire to appear and be heard.

A copy of the Order and of the map referred to therein has been deposited, and may be seen at all reasonable hours, at the offices of the City of Coventry, Council House, Coventry, until the date of the Inquiry.

The said Order is an Order which has been made by the Coventry City Council under the above Acts, and which, if confirmed by the Secretary of State will authorise the Council to purchase compulsorily the land described therein for the purpose of the construction of Phase 2 of the North/South Road from its proposed link with the North/South Road Phase 1 to a proposed roundabout junction linking the scheme with Binley Road, Humber Road and Sky Blue Way, all in the City of Coventry.

The Secretary of State hereby directs that any person who intends at the Inquiry to submit that any highway or proposed highway to which the Compulsory Purchase Order relates should follow an alternative route, or that, instead of improving, diverting or altering a highway to which the Order relates a new highway should be constructed on a particular route, shall send to him at Local Authority Orders Section, Northern Regional Office, Room 810, Wellbar House, Gallowgate, Newcastle-upon-Tyne, NE1 4TD, not later than 7th September 1993 sufficient information about the alternative route or the route of the new highway, as the case may be to enable it to be identified. Failure to comply with this direction will entitle the Secretary of State and the person holding the Inquiry to disregard so much of any objection as consists of such a submission.
