DEPARTMENT OF NATIONAL SAVINGS

National Savings Bank Investment Accounts—Notice of New Rates

The Director of Savings gives notice that on and from 1st January 1994 the variable rate of interest earned for each day on deposits in an Investment Account with a balance of £25,000 or above will be 6 per cent per annum. The rate on an account with a balance of at least £500 but not more than £25,000 will be 5.75 per cent per annum. The rate on an account with a balance of under £500 will be 5.25 per cent per annum.

National Savings Bank Ordinary Accounts—Notice of New Rates

The Director of Savings gives notice that on and from 1st January 1994 the higher rate of interest payable on deposits on Ordinary Accounts will go down from 3.75 per cent per annum to 3.25 per cent per annum. The standard rate for balances under £500 will go down from 2.5 per cent per annum to 2 per cent per annum.

National Savings Income Bonds—Notice of New Rate

Notice was given in the national press on 17th December 1993 that on and from 29th January 1994 the Treasury rate of interest payable on Income Bonds will go down from 7 per cent per annum to 6.5 per cent per annum.

National Savings Deposit Bonds—Notice of New Rate

Notice was given in the national press on 17th December 1993 that on and from 29th January 1994 the rate of interest payable on Deposit Bonds will go down from 7 per cent per annum to 6.5 per cent per annum.

Premium Savings Bonds—Notice of New Rate and Scale of Prizes

The Treasury gives notice that on and from 1st April 1994 the rate of interest specified for determining the amount of the prize fund will go up from 5 per cent per annum to 5.2 per cent per annum.

Starting with the prize draw for April 1994 the following prize structure will come into operation.

There will be a draw for each month. The large value prizes to be awarded monthly are set out below:

1 prize of	£1,000,000
2 prizes of	£100,000
3 prizes of	£50,000
4 prizes of	£25,000
10 prizes of	£10,000
25 prizes of	£5,000

The cost of the prizes ranging from £1 million to £5,000 inclusive is set aside from the prize fund for the month. The balance of the prize fund is then used to award numbers of further prizes valued at £1,000, £500, £100 and £50 so that the overall total number of monthly prizes ("the required number") is in the proportion of one prize for every 15,000 eligible bond units.

£1,000 prizes and £500 prizes are allotted in the ratio 1 to 3.

The prize fund remaining, after setting aside the costs of the £1 million to £5,000 prizes, is first used to meet the cost of 125 £1,000 and 375 £500 prizes. The allocation then follows either (i) or (ii) below:

- (i) The remaining sum is allotted to £100 and £50 prizes in a ratio as close as possible to, but not exceeding, 1 to 15 until the overall total number of prizes is equal to the required number. Any further sum remaining is used to increase progressively the number of £1,000 and £500 prizes. For every £1,000 prize created the number of £100 and £50 prizes is reduced by 4 in such a way that the overall ratio of £100 and £50 prizes remains as close as possible to, but does not exceed, 1 to 15. Any balance of £50 or more is allocated to £50 prizes.
- (ii) The remaining sum is allocated to £100 and £50 prizes in the ratio 1 to 15. If the total number of prizes is now fewer than the required number, the £100 prizes are progressively re-allocated as £50 prizes until the required number is achieved or all the £100 prizes are re-allocated. If the required number has then not been reached, £1,000 and £500 prizes are progressively re-allocated as £50 prizes until the required number is reached or exceeded by not more than 45.

If the number of prizes allotted then exceeds the required number, then the necessary number of £50 prizes is consolidated into £100 prizes to bring the total number of prizes to the required number.

Any residual sum of less than £50 is carried forward to the next monthly prize fund.

Issued by the Department for National Savings on behalf of the Treasury.

December 1993.

The charge for parking without a Permit or Visitors Ticket will be £40 per day with a discounted charge for payment within 7 days of £20.

The Order contains provisions which would allow for the issue of permits for "business" parking. It is not intended currently to issue any such permits and before any were issued the proposed charges would be advertised.

A copy of the Order, together with a map showing the roads affected are available in Room 32, Administration Department, Civic Centre, Chelmsford and the Local Government Library (E Block), County Hall, Chelmsford, where they may be inspected during normal office hours.

Pannal Conservation Area

Notice is hereby given that Harrogate Borough Council, in pursuance of its powers under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, has designated the areas specified in the Schedule hereto as Conservation Areas being areas of special architectural and historical interest, the character and appearance of which it is desirable to preserve and enhance.

Plans showing the boundaries of the Conservation Areas are available for inspection at the Council Offices, Crescent Gardens, Harrogate, between the hours of 9.30 a.m. and 4.30 p.m., Monday to Friday.

The effect of the designation of a Conservation Area may be summarised as follows:

- (a) Where any application for planning permission for development of land in or adjacent to the Conservation Area is made to the Council and the development would in the opinion of the Council, affect the character or appearance of the Conservation Area, the application will be subject to the special procedure in the Planning (Listed Buildings and Conservation Areas) Act 1990.
- (b) Anyone wishing to demolish a building or a part of a building situate within the Conservation Area must first apply for consent for demolition to the Local Planning Authority. This is not taken to be included in a planning permission for redevelopment of the site unless, in granting the planning permission, the authority states that it includes consent to demolish the building. Some buildings may be exempt from this requirement.
- (c) Anyone wishing to cut down, top, lop or uproot a tree situate within the Conservation Area must give 6 weeks prior notice of this intention to the Local Planning Authority.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.
