Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
