TRANSPORT AND WORKS ACT 1992

The Transport and Works (Applications and Objections Procedure) Rules 1992

Chinnor and Princes Risborough Railway Order

Notice is hereby given that application has been made by Chinnor & Princes Risborough Railway Association and Chinnor & Princes Risborough Railway Company Limited to the Secretary of State for Transport at the address shown below for an Order under section 1 of the above Act.

The Order, if made, will authorise the British Railways Board to transfer the Chinnor branch railway (about 3 miles in length) between Chinnor Cement Works, Oxfordshire, and the Longwick-cum-Ilmer/Princes Risborough parish boundary, Buckinghamshire (close to its convergence with the former Thame branch) from the Board to the said Association, to the intent that the Association shall then be entitled to the railway and all rights, powers and privileges, and subject to all obligations, to the exclusion of the Board.

The proposed Order would enable the Association to lease the railway to its wholly-owned subsidiary, the said Company, who would, during the currency of such lease, operate the railway and hold the powers and be subject to the obligations.

The proposed Order makes provision for the protection of certain existing level crossings of public rights of way to standards approved by H.M. Railway Inspectorate; it also makes provision for the responsibility for certain road bridges.

The proposed Order does not seek any powers to construct works or of compulsory acquisition. The Secretary of State has made a waiver direction dispensing with an environmental statement.

Any person may, not later than 3rd March 1994, object to the making of the Order by notice in writing given to the Secretary of State at the Department of Transport (T.W.A. Branch), Room P2/026, 2 Marsham Street, London SW1P 3EB, quoting the reference TWA/93/ENQ/11, and stating the grounds of objection.

MISCELLANEOUS

In the High Court of Justice (Chancery Division)

Leeds District Registry No. 2269 of 1993

JOHN SISK & SON (NORTHERN) LIMITED (Applicant)

S K CIVIL ENGINEERING CONTRACTORS LIMITED (Respondent)

On 22nd December 1993, S K Civil Engineering Contractors Limited presented a winding-up Petition in the High Court of Justice (Leeds District Registry) against John Sisk & Son (Northern) Limited. The Petition was purportedly based upon an undisputed debt.

Once John Sisk & Son (Northern) Limited became aware of the Petition, they immediately issued an application to strike out the same through their solicitors, Halliwell Landau of St. James's Court, Brown Street, Manchester M2 2JF (under ref. IDA.VEB. J6368.1, telephone number 061 835 3003).

The application came before His Honour Judge Maddocks at 10.30 a.m. today, Monday, 17th January 1994. The Petition was duly struck out by the court and His Honour Judge Maddocks described the claim as not simply a disputed debt but it could be argued that it is almost a pretended debt. In addition, His Honour, described the manner in which the Petition was advertised and publicised demonstrated a gross abuse of the court process and that he had absolutely no hesitation in striking out the Petition.

Having delivered the judgement, His Honour Judge Maddocks ordered that S K Civil Engineering Contractors Limited pay John Sisk & Son (Northern) Limited's costs on an indemnity basis. (221)
