## DERBYSHIRE DALES DISTRICT COUNCIL

*Derbyshire Dales District Council (Off-street Parking Places) (Amendment No. 9) Order 1994*

Notice is hereby given that the District Council propose, subject to the consent of the Derbyshire County Council, to make an Order under section 35(1) and (3) of the Road Traffic Regulation Act 1984, and Schedule 9 of that Act. This notice is given in accordance with

the Local Authorities Traffic Orders (Procedure) (England and Wales) Regulations 1989.

The Order will further amend the original Off-street Parking Places Order made by the Council in 1980.

The effect of the Order will be to introduce an additional area of car parking at Granby Road, Bakewell.

The car park will be available for parking on all days, at all hours, for a maximum 24-hour period at any one time.

The fees for parking will be those which are currently charged on other car parks in Bakewell, namely:

From 9 a.m. to 6 p.m.: 20p for 1 hour, 30p for 2 hours, 80p for up to 3 hours, and £3 for over 3 hours.

In addition, this new area of car park will include an existing area of car parking. This area is shown hatched on the plans which are available for public inspection (see below).

The Council's reasons for bringing this area into the Order are to create much needed car parking in Bakewell on this site and to secure the effective management of the car park. The removal of the hatched area from the adjoining (Cattle Washing Area) car park and its inclusion in the new area will enable parking to take place on this area on Market Days.

A copy of the proposed Amendment Order and Schedules, together with associated site plan and copies of the full Order as it stands now, can be inspected during the hours of 9 a.m. to 5 p.m., Monday to Friday, at the following locations:

Town Hall, Matlock.  
Compton Offices, Ashbourne.  
Council Offices, Bath Street, Bakewell.  
Cash Office, Town Hall, Wirksworth.

Anyone wishing to object to the proposals, or to make comments, should forward their objection or comments, together with the grounds for making it, in writing to M. S. Bingham, District Secretary, Derbyshire Dales District Council, Town Hall, Matlock, Derbyshire DE4 3NN, before 13th February 1994.

# Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
