HARTLEPOOL BOROUGH COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Notice of Designation of Conservation Areas—Extensions to Areas at Greatham and the Park Area, Hartlepool

Notice is hereby given in pursuance of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990 that Hartlepool Borough Council acting as the Local Planning Authority have determined that the areas described in the Schedule to this Notice are areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance, and have accordingly designated the said areas as Conservation Areas.

The effect of the designation of the Conservation Areas may be summarised as follows:

- (a) Where any application for planning permission for development of land in or adjacent to the Conservation Area is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the Conservation Area, the application will be subject to the special

procedure in section 67 as applied by section 73 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- (b) Anyone wishing to demolish a building or part of a building situate within a Conservation Area must, under section 74 of the Planning (Listed Buildings and Conservation Areas) Act 1990, first apply for consent to demolition to the local planning authority. This is not taken to be included in a planning permission for redevelopment of the site. Some buildings may be exempt from this requirement.
- (c) It becomes an offence under sections 211 to 214 of the Town and Country Planning Act 1990 to cut down, top, lop, uproot, wilfully damage or wilfully destroy any trees in a Conservation Area except with the consent of the local planning authority. Anyone wishing to cut down, top, lop or uproot a tree situate within a Conservation Area must give six weeks' prior notice of his intention to the local planning authority.
- (d) Development in Conservation Area should preserve or enhance the character or appearance of the area. This principle is embodied in policies Co1, Co2 and Co5 of the Deposit version of the Hartlepool Local Plan (September 1992) as amended by proposed modification Nos. 48 and 49—(January 1994).

Maps of the Conservation Areas may be inspected during normal office hours at the Civic Centre, Victoria Road, Hartlepool, Cleveland.

SCHEDULE

Description of the Area

The Order comprises five separate areas which lie close to the fringes of Grange-over-Sands and Kents Bank on the northern side of Morecambe Bay. The areas are: Cat Tree Bank, Wartbarrow, Kirkhead, Long Greaves and a small woodland west of Middle Fell Gate, Wartbarrow includes almost the whole of the Wartbarrow Site of Special Scientific Interest while Kirkhead adjoins the Morecambe Bay SSSI. The remainder of the site has no conservation status. The total area of the Order is 73.25 hectares.

Wartbarrow and Kirkhead are low ridge like hills which together form a prominent backcloth to the urban area. Wartbarrow in particular with its woodland and scar features is also prominent from the village of Allithwaite while Kirkhead with its open outcrops, attractive woodland and "summer house" forms a separate and distinct coastal feature. The pavements are mostly wooded or under scrub and separated by areas of open limestone grassland.

Most of the land does not have public access with the only public rights of way being through Cat Tree Bank and Long Greaves. Sections of wooded pavement may be seen from these footpaths. Further details about the landscape, flora, geological and physiographical features of the site can be found in the notification, a copy of which can be obtained on request.

Some small scale damage to the pavements has occurred in the past.

SCHEDULE

Humphrey Head lies on the northern side of Morecambe Bay, 2 kilometres south of Allithwaite and 4 kilometres south-west of Grange-over-Sands. Part of the notification area falls within the Humphrey Head Site of Special Scientific Interest and adjoins the

Morecambe Bay SSSI. Part of the area is managed as a nature reserve by the Cumbria Wildlife Trust. The total area is 24.7 hectares.

Humphrey Head is a limestone promontory projecting onto the saltmarshes and mud flats of Morecambe Bay. High Cliffs on the west side and semi-natural woodland to the east form distinctive features. Areas of generally open and bare pavement occur on the top and along the coastal margins. Further details about the landscape, flora, geological and physiographical features of the site can be found in the notification, a copy of which can be obtained on request. Humphrey Head is popular for recreation and the outcrops are clearly visible and accessible to the general public. There is no pavement in Humphrey Head Wood which is excluded from the Order.

Although the pavements are discontinuous and fragmented, it is not known whether this is due to old damage.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

- **comprehensive**
- convenient**
- constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
