DERBYSHIRE DALES DISTRICT COUNCIL

Derbyshire Dales District Council (Off-street Parking Places) (Amendment No. 9) (Order 1994)

Notice is given that the District Council have, with the consent of the Derbyshire County Council, on 30th March 1994, made an Order under section 35(1) and (3) of the Road Traffic Regulation Act 1984, and Schedule 9 of that Act. This notice is given in accordance with the Local Authorities Traffic Orders (Procedure) (England and Wales) Regulations 1989.

The Order will further amend the original Off-Street Parking Places Order made by the Council in 1980.

The effect of the Order will be to introduce an additional area of car parking at Granby Road Bakewell.

The car park will be available for parking on all days, at all hours, for a maximum 24-hour period at any one time.

The fees for parking will be those which are currently charged on other car parks in Bakewell, namely:

From 9 a.m. to 6 p.m. — 20p for 1 hour, 30p for 2 hours, 80p for up to 3 hours and £3 for over 3 hours.

In addition, this new area of car park will include an existing area of car parking. This area is shown hatched on the plans which are available for public inspection (see below).

The Council's reasons for bringing this area into the Order are to create much needed car parking in Bakewell on this site and to secure the effective management of the car park. The removal of the hatched area from the adjoining (Cattle Washing Area) car park and its inclusion in the new area will enable parking to take place on this area on market days.

A copy of the proposed amendment Order and Schedules, together with associated site plan and copies of the full Order as it stands now, can be inspected during the hours of 9 a.m. to 5 p.m., Monday to Friday, at the following locations:

Town Hall, Matlock.
Compton Office, Ashbourne
Council Offices, Bath Street, Bakewell
Cash Office, Town Hall, Wirksworth.

The Order will come into effect for practical purpose on 8th April 1994.

BOURNEMOUTH BOROUGH COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Boscombe Spa Conservation Area

Notice is hereby given that the Bournemouth Borough Council, in pursuance of powers granted under sections 69 and 70 of the Planning (listed buildings and conservation areas) Act 1990 and after public consultation, have determined that: "Those several hereinafter named properties:

Adeline Road: 9 and 10; Argyll Road: 1-9 and 4-12; Aylesbury Road: 1; Boscombe Spa Road: 4-6 and 7-29; Cecil Road: 1-29 and 2-4; Christchurch Road: 443-457; Saint John's Church: 487-489b; former Boscombe United Reformed Church and 504-508A; Horace Road: 3; Owls Road: Hotel Burlington and 4-12; Saint John's Road: 1-25 and 2-10; Sea Road: 29-33; The Crescent: 1-27, 28 and Carnarvon Crescent Gardens; Wharnclyffe Road: 1-7 and 10-18; Windsor Road: 1-47,

all situated within the Borough of Bournemouth, are of special architectural and historic interest and have a character and appearance which the Council would wish to preserve or enhance", accordingly the Council have designated them as a Conservation Area.

The new Conservation Area comprises in the main, the Boscombe Spa Estate; originated in 1867 by the M.P. and diplomat Sir Henry Drummond Wolff, as a rival to Westbourne and Bournemouth for the affluent holiday trade then being attracted to the area. Development mainly occurred between 1870 and 1910; initially roads were informally laid out on the plateau bordering Boscombe Chine and a number of modest villas were built in large plots. At this time to the North of Christchurch Road artisan's dwellings were being

built in a grid formation of roads on the Boscombe Estate. The initial success of Boscombe Spa prompted the construction of several large hotels in the then popular mock Tudor style.

Development spread later to a dense pine plantation north of Owls Road and reached as far as Carnarvon Crescent. A number of grand villas in large plots were built here at this time, one of which is now a listed building.

After 1890 the remaining open land on the estate was developed at higher densities, with medium sized villas on small plots and numerous semi-detached and terraced properties.

For a considerable time this remained a spacious and wooded genteel quarter of varied Victorian detailing, such as bay windows, turreted roofs, balconies, gables, cream coloured render and brickwork and tile hanging in hues of red and orange.

Commercial pressure led to the construction of shop terraces along Christchurch Road, the building of the Burlington Hotel, now listed and the intensification of plot use, with garden areas being taken up by extensions and car parks.

The Conservation Area will seek to preserve the varied nature of the development, especially the density gradation from the spacious south-west side to the compact north-east, the detailing of the Victorian architecture and the informality of the general layout, which allows for interesting views into and within the area.

It will be important to prevent the loss or insensitive alteration of original buildings and to protect the already vastly depleted tree stock.

The designation will have the effect that:

A. within the conservation area boundaries, conservation area consent will be required to demolish any:

1. building, or part thereof unless:

(a) the volume of the whole building is 115 cubic metres or less;

(b) the building was erected between 1st January 1914 and 1st July 1948 and is presently, or was last used for agricultural purposes,

(c) certain other conditions set out in D.o.E. circular dated 25th March 1987 apply;

2. gate, wall, fence or railing higher than:

(a) 1 metre where abutting a highway, public footpath or bridleway;

(b) 2 metres elsewhere;

B. applications for development which the Council deem may affect the character or appearance of the area will be advertised;

C. from time to time the Council will prepare and execute schemes intended to preserve and enhance the area.

It should be noted that in addition to the above, other Council policies appearing primarily in the "Deposit Boscombe Local Plan" may also apply in these areas.

A plan showing the extent of the conservation area and copies of the local plan, are available for inspection, during normal office hours, at Planning Services, Town Hall Annexe, St. Stephen's Road, Bournemouth BH2 6EA.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.
