HAMPSHIRE COUNTY COUNCIL

Middle Brook Street, Winchester—Parking, Cycleway, 20 m.p.h. Speed Limit and Revocation of Parking Spaces in the Broadway

Notice is hereby given that Hampshire County Council proposes making four Road Traffic Regulation Orders as follows:

Effect of Orders: To implement the following measures in that length of Middle Brook Street, Winchester between its junction with North Walls and its junction with Friarsgate:

1. *Parking Place*

The designation of the above length of Middle Brook Street as a parking place, except for the cycleway referred to below. Vehicles displaying a permit may park in the parking place without further charge.

Any resident of that length of Middle Brook Street between North Walls and Friarsgate may apply to Winchester City Council for the issue of a permit, subject to no more than one permit being issued in respect of any one household. The charge for permits will be £10 per annum per permit. Permits issued to residents of Middle Brook Street will not be valid for use in any other street and permits issued to residents of any street other than Middle Brook Street will not be valid for use in Middle Brook Street.

In addition, business permits will be available at £30 per annum for any business premises in Middle Brook Street between North Walls and Friarsgate, where it can be demonstrated that there is insufficient off-street parking available to adequately meet the business needs of the particular business and subject to no more than one permit being issued to any one business. A business permit will be valid for parking up to one hour and will not be valid for use by any person employed at the business premises concerned.

Any vehicle parking in the parking place without a permit being displayed will incur a charge of £30, although exemptions will be included to enable vehicles to wait, without charge, for the following purposes—to board or alight, loading/unloading, building operations, removal of obstructions, statutory undertakers works, statutory powers and duties, postal collections, deliveries, emergency services vehicles and disabled drivers' parking.

2. *Cycleway*

A cycleway will be provided in the vehicular carriageway of the above length of Middle Brook Street to a width of 1.2 metres adjacent to its western kerb-line. The cycleway will be available for use by cycles in a northbound direction only.

3. *20 m.p.h. Speed Limit*

A 20 m.p.h. speed limit will be imposed on that length of Middle Brook Street between North Walls and Friarsgate, an approximate distance of 190 metres.

The Speed Limit Order requires the consent of the Secretary of State for Transport which he has indicated can only be given, in the first instance, for a period of 18 months. The Order will therefore cease to be in force 18 months after it comes into operation. The County Council expect to be in a position to apply for consent to an indefinite extension of the speed limit 3 months before the Order is due to expire.

4. *Revocation of Parking Places in the Broadway*

In connection with the above measures it will be necessary for Winchester City Council to transfer the taxi rank currently situated in Middle Brook Street to The Broadway. It is therefore proposed, with regard to the limited waiting parking spaces situated on the south side of the central area of The Broadway west of King Alfred Statue, to revoke the existing Parking Place Order insofar as it relates to the four spaces furthest from the statue.

Further details: Details of the proposed Orders, maps and a statement of reasons may be inspected during usual office hours at the following places:

- (i) City Offices, Colebrook Street, Winchester.
- (ii) County Council Information Centre, Mottisfont Court, High Street, Winchester (opening hours: Monday to Fridays, 8.30 a.m. to 6 p.m.; Saturdays, 9.30 a.m. to 1 p.m.)

Objections: Objections and other representations in respect of this proposals must be sent in writing to the undersigned by 9th May 1994. All objections must state the grounds on which they are made.

Title: The Orders if made will be known as:

- (i) The Hampshire (Middle Brook Street, Winchester) (Parking Place) Order 1994.
- (ii) The Hampshire (Middle Brook Street, Winchester) (Prohibition of Driving and One-way Traffic) Order 1994.

Designation of Conservation Area

Notice is hereby given pursuant to section 69 of the above-mentioned Act that on 8th February 1994, Guildford Borough Council revised the existing boundary of the Ripley Conservation Area by excluding an area developed with modern housing at the rear of the Georgian House, High Street, Ripley.

The conservation area boundary now concentrates on the historic core of the village and is centred around the junction of High Street with Rose Lane. To the north of the village the conservation area boundary encloses The Lodge. The boundary follows the belt of trees as far as Bridfoot Farm, which is also enclosed. Here, the boundary crosses Portsmouth Road and includes Bridfoot Cottages before turning south-westwards following the stream and field boundaries before meeting Rose Lane. At this point the conservation area includes The Cottage and Ripley Court School. The boundary continues to follow field boundaries until it meets the High Street at the boundary of West End Cottages. Crossing the road the boundary skirts the new development of Wentworth Close, before rejoining its northern edge at The Gate House.

A copy of the map showing the area described above is available for inspection during normal office hours at the Council Offices, Millmead House, Millmead, Guildford.

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, SECTIONS 69 AND 70

Variation of Conservation Area Boundaries

Notice is hereby given of the South Hams District Council's resolution, dated 24th February 1994, to extend the boundaries of the existing Conservation Areas in the following settlements to take account of its current principles of selection. The towns and villages are: Dittisham, Harbertonford, Kingsbridge, Stoke Fleming, Thurlstone and Yealmpton.

In accordance with section 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990, development proposals in these areas will be subject to special planning controls designed to safeguard their character or appearance which it is considered desirable to preserve or enhance. The effect of the designations is also that the consent of the planning authority will be required to demolish all or part of a building (section 74 of the Planning (Listed Buildings and Conservation Areas) Act 1990, or cut down, top lop or uproot any tree (with minor exemptions) (sections 211-214 Town and Country Planning Act 1990), and that the range of development which can be carried out without planning permission is more restricted and planning applications must be given publicity (section 67 and section 73 of the Planning (Listed Buildings and Conservation Areas) Act 1990).

Plans showing the new boundaries of these Conservation Areas, together with those of existing Areas already designated in the District, can be inspected at the Planning Office of the District
