HER MAJESTY'S INSPECTORATE OF POLLUTION

RADIOACTIVE SUBSTANCES ACT 1993

Application by Nuclear Electric plc to Dispose of Radioactive Waste from Sizewell B Nuclear Power Station

The Chief Inspector of Her Majesty's Inspectorate of Pollution (HMIP) and the Minister of Agriculture, Fisheries and Food are considering an application from Nuclear Electric plc under the Radioactive Substances Act 1993 for authorisations to dispose of gaseous, liquid and combustible radioactive waste from their premises at Sizewell B Nuclear Power Station, Sizewell, near Leiston in the county of Suffolk.

A public consultation exercise in relation to the application was carried out in the period 13th August 1993 to 8th October 1993. Before reaching a decision on whether or not to grant the Authorisations the Chief Inspector and the Minister are considering the question whether the operation of the Sizewell B power station, resulting in exposures to radiation no higher than the limits set in the draft Authorisations, would be "justified" by the advantages which operation of the station would produce. In response to a request from the Chief Inspector and the Minister, Nuclear Electric have provided a document entitled "Further Information in Support of the Application for Discharge Authorisations at Sizewell B".

Nuclear Electric have also provided certain additional information for their application and have requested a minor modification to the draft Certificate of Authorisation for the discharge of waste gases, mists and dusts in order to ensure that all potential outlets of such waste would be covered by an authorisation. A modified draft Certificate of Authorisation has been prepared by the Chief Inspector and the Minister. In modifying the draft Certificate there has been no increase in the draft overall limit of activity for gases, mists and dusts.

The further information and revised draft certificate of authorisation to dispose of gaseous waste, together with previous consultation documents, can be inspected at: all public libraries in the county of Suffolk; the libraries of Diss, Gorleston, Great Yarmouth, Harleston, Long Stratton, Norwich and Thorpe St. Andrew in the county of Norfolk; the libraries of Clacton-on-Sea, Colchester (Main and Prettygate), Harwich, Maldon and Witham in the county of Essex; the council offices of Suffolk County Council, Suffolk Coastal District Council and HMIP's offices in London, Bedford, Bristol, Cardiff, Leeds and Sutton Coldfield during normal working hours from 19th May 1994 to 16th June 1994.

The Chief Inspector and the Minister hereby invite comments on the Nuclear Electric submission, the other documents referred to and on the issue of justification generally. All comments should be sent as soon as possible and in any event to arrive no later than 16th June to Sizewell B Public Consultation, HM Inspectorate of Pollution, PO Box 143, Bedford MK42 0PN. (Ref. No. LG3/01/IPAN.) (8 SI)

DEVELOPMENT BOARD FOR RURAL WALES

Disposal of Housing Stock

The Development Board for Rural Wales has been instructed by the Secretary of State to dispose of its rented housing stock to alternative landlords, following consultation with its tenants. It is anticipated that the transfer will take place during the early part of 1996.

As at 28th March 1994, the Development Board owned 1,130 dwellings and 79 garages with a gross rental of approximately £2 million per annum.

In disposing of the stock the Development Board proposes, after consultation with its tenants, to create a number of ballot areas, which could range in size from 10 dwellings to 365 dwellings.

The Development Board wishes to receive expressions of interest from landlords interested in acquiring part or all of the stock. Where a prospective landlord is not a local authority, it should be an approved person by Housing for Wales, in accordance with Regulation 5(1) of the Development Board for Rural Wales (Transfer of Housing Stock) Regulations 1993 (SI 1993 No. 1808).

Landlords interested in acquiring stock are invited to:

- (i) Submit a formal expression of interest to the Development Board by 10th June 1994, and
- (ii) Seek approval from Housing for Wales for approved person status.

Applications for approved persons status can be obtained from Housing for Wales, who have established a criteria for approval in accordance with Regulation 5(2). Approval is restricted to:

- (i) Registered Housing Associations which already own and manage stock in the Local Authority area in which they seek to acquire stock, and
- (ii) Newly formed associations which must be organisations representative of tenants of the Development Board.

The formal expressions of interest to acquire are sent to the Head of Housing Service, Development Board for Rural Wales, Ladywell House, Newtown, Powys SY16 1JB.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
