BRITISH TELECOMMUNICATIONS

Notice under section 12(2) of the Telecommunications Act 1984

Proposed modifications of the Conditions of the Licence of British Telecommunications plc ("BT")

The Director General of Telecommunications ("the Director") in accordance with section 12(2) of the Telecommunications Act 1984 ("the Act") hereby gives notice that he proposes to make modifications of the Conditions of the Licence granted under section 7 of that Act to British Telecommunications by the Secretary of State on 22nd June 1984, which has effect as if granted to BT.

The effect of the proposed modifications

The proposed modifications of the Conditions of the Licence would introduce a new provision, controlling the timing of certain price changes, into the existing main price control rule in BT's Licence (Condition 24A). The existing rule limits the extent to which BT may increase, or is obliged to reduce, the prices of certain main services in any year of the four years commencing on 1st August 1993. The prices covered by that rule are exchange line connection and rental charges, and call charges (except those for calls from public call boxes, calls to information or entertainment services and calls to destinations in the cellular networks).

The new provision would have the effect of ensuring that where BT is required to reduce its prices in any year of the three years from that commencing 1st August 1994, in accordance with Condition 24A of its Licence, the combined effect of the changes in individual controlled prices in that year should be equivalent to a single change made no later than 1st November 1994.

A formula which converted all the price changes in a year into a single price change would be included in Condition 24A as the means of establishing whether or not BT had complied with the new provision.

If BT has made reductions in any year beyond those necessary to comply with Condition 24A the additional reductions will be taken into account in the immediately following year.

The reasons for the proposed modifications

The Director proposes to make these modifications of the Conditions of BT's Licence to ensure that consumers receive the benefit of price reductions earlier rather than later in the price control year.

The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and not withdrawn.

Representations or objections to the proposed modifications may be made in writing to: P. Atkinson, Office of Telecommunications, 50 Ludgate Hill, London EC4M 7JJ, no later than 1st August 1994.

Copies of the proposed modifications may be obtained from the above address, telephone 071-634 8883. (5 SI)

WEYMOUTH AND PORTLAND BOROUGH COUNCIL

The Borough of Weymouth and Portland Dorchester Road (Experimental) Order 1994

Notice is hereby given that the Borough Council of Weymouth and Portland have made the above-mentioned Order acting on behalf of the Dorset County Council in pursuance of arrangements made under section 101 of the Local Government Act 1972 and in exercise of the Dorset County Council's powers under section 9 of the Road Traffic Regulation Act 1984 and of all other enabling powers, the effect of which will be:

- (i) To prohibit a right-hand turn into Dorchester Road from Mill Street;

A copy of the Order as made together with a copy of the map showing the lengths of road concerned may be inspected until the end of 6 months from the date on which the Order was made at the Municipal Offices, North Quay, Weymouth, during normal office hours. If the provisions of the Order continue in operation for a period of not less than 6 months, the Weymouth and Portland Borough Council will consider in due course whether the provisions of that Order should be continued in force indefinitely. Persons wishing to object to the making of an Order for the purposes of such indefinite continuation may, within a period of 6 months from the

coming into force of that Order, or if that Order is subsequently varied by another Order, 6 months from the date of that Order (whichever is latest), send a statement in writing giving the grounds on which it is made to the Chief Executive, Municipal Offices, North Quay, Weymouth. Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
