*The Lancashire County Council (Prohibition and Restriction of Waiting) (Amendment) Order 1994*

Notice is hereby given that Lancashire County Council have made an Order under sections 1, 2 and 4 and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended and in accordance with the provisions of the Local Authorities Traffic Orders (Exemptions for Disabled Persons) (England and Wales) (Amendment) Regulations 1991.

The 1991 Regulations amended the Local Authorities Traffic Orders (Exemptions for Disabled Persons) (England and Wales) Regulations 1986, by virtue of which disabled drivers were allowed to wait for a limited period in any length of road on which waiting restrictions or prohibitions were imposed, with certain exceptions e.g. where waiting for the purposes of loading and unloading is prohibited, or on lengths of roads comprising bus lanes or cycle lanes when the bus lane or cycle lane is in operation.

Disabled drivers were previously allowed to wait under the scheme of parking concessions (known as the Orange Badge Scheme) for up to two hours. The new Regulations have extended this period to three hours and have amended the rules regarding the size and positioning of the Orange Badge. The County Council have, therefore, made an Order to amend all their existing Traffic Regulation Orders which impose such waiting restrictions or prohibitions in accordance with the new Regulations.

A copy of the Order may be inspected at Christ Church Precinct, County Hall, Preston, and the following District/Borough Council offices during normal office hours until 24th August 1994:

1. Lancaster City Council, Town Hall, Dalton Square, Lancaster.
2. Wyre Borough Council, Wyre Civic Centre, Breck Road, Poulton-le-Fylde.

# Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
