North Deighton*

Notice is hereby given that Harrogate Borough Council in pursuance of its powers under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990 has designated the areas specified in the Schedule hereto as Conservation Areas being areas of special architectural and historical interest, the character and appearance of which it is desirable to preserve and enhance.

Plans showing the boundaries of the Conservation Areas are available for inspection at the Council Offices, Crescent Gardens, Harrogate, between the hours of 9.30 a.m. and 4.30 p.m. Monday to Friday.

The effect of the designation of a Conservation Area may be summarised as follows:

- Where any application for planning permission for development of land in or adjacent to the Conservation Area is made to the Council and the development would in the opinion of the Council, affect the character or appearance of the Conservation Area, the application will be subject to the special procedure in the Planning (Listed Buildings and Conservation Areas) Act 1990.
- Anyone wishing to demolish a building or a part of a building situate within the Conservation Area must first apply for consent for demolition to the Local Planning Authority. This is not taken to be included in a planning permission for redevelopment of the site unless, in granting the planning permission, the authority states that it includes consent to demolish the building. Some buildings may be exempt from this requirement.
