Notice is hereby given that the Secretary of State for Wales has made an Order under sections 1, 2, 4 and 124 of the Road Traffic Regulations Act 1984, which will come into force on 1st August 1994.

This Order amends the provisions of the Trunk Road (A470) (Carno, Powys) (Prohibition of Waiting) Order 1989 to take account of the changes in the disabled persons' badge (Orange Badge) Scheme, which increased the period of waiting permitted for vehicles displaying such a badge from 2 to 3 hours.

A copy of the Order and the Order which has been varied, together with a plan may be inspected during normal office hours at the offices of Montgomeryshire District Council, Severn Road, Welshpool, Powys, during a period of 6 weeks from 30th July 1994.

Copies of the Order may be obtained, free of charge, on application to the Welsh Office, Highways Directorate, Government Buildings, Ty Glas Road, Llanishen, Cardiff CF4 5PL, quoting the reference ZC 510-2-6-54.

If any person desires to question the validity of the Order, or of any provision contained therein, on the grounds that it is not within the powers of the Road Traffic Regulation Act 1984; or that his interests have been substantially prejudiced by a failure to comply with any of the requirements of that Act, he may within 6 weeks of 30th July 1994, apply to the High Court for the suspension or quashing of the Order or of any provision contained therein. The majority of parking places will be for residents only. The thirty minute parking places will be provided mainly in Cowley Road, with one area of such parking also being provided in St. Clement's Street and in Stockmore Street. Various lengths of two hour parking will be provided in Cosin Close, Cross Street and Nye Bevan Close.

There will be approximately 750 residents' parking places in total in the roads within the Zone. At present there are approximately 400 residents' parking spaces. The amount of residents' parking spaces has been increased in most of the roads in the Zone. Residents'

parking places will be available for residents for 24 hours of each day (i.e. vehicles not bearing a residents' parking permit will not be permitted to park in them at any time).

The Order will also introduce a business parking permit scheme covering the whole of East Oxford Residents' Parking Zone. The scheme will be limited to business premises which do not have any off-street servicing area or garage. No business shall be entitled to more than two business permits per annum. The effect of the Order will be as follows:

Brookside—to introduce a 24 hour waiting prohibition throughout the whole length of the road apart from various lengths of on-street parking in which vehicles will be able to park either for unlimited periods of time (at two locations by Nos. 3 and 5 Brookside) or for unlimited periods except when Oxford United are playing at home (at nine other locations in the road).

Finch Close—to introduce a 24 hour waiting prohibition throughout the whole length of the road apart from three lengths of on-street parking in which vehicles will be able to park for unlimited periods of time.

NORTH WILTSHIRE DISTRICT COUNCIL

Notice of Designation of Planning (Listed Buildings and Conservation Areas) Act 1990

Ashton Keynes Conservation Area, Ashton Keynes, Wiltshire

Notice is hereby given that North Wiltshire District Council designated the above-named conservation area on 19th July 1994.

A plan of the Ashton Keynes Conservation Area is available for public inspection, free of charge, at the District Council Offices, Planning Department, Monkton Park, Chippenham, Wiltshire, at the following times:

8.45 a.m. to 5.15 p.m. Monday to Thursday;

8.45 a.m. to 4.45 p.m. Friday.

Ashton Keynes was first designated a conservation area in 1974, with a village study and non-statutory Village Plan approved in January 1978. The revised boundary is proposed to cover the whole of Ashton Keynes to reflect the origins and development of the village to include all areas of architectural and archaeological significance.

The principle objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the conservation area, which are not already protected by a Tree Preservation Order, to give the local planning authority 6 weeks' notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority consider would affect the character or appearance of the conservation area or the setting of a Listed Building. The application

will not be determined for 21 days, after the notice is first displayed, during which time representations relating to any such application may be made to the Council. In determining the application the local planning authority shall take into account the representation made.

Further information is available from the Planning Department, North Wiltshire District Council, Monkton Park, Chippenham, Wiltshire SN15 1ER. (Telephone: Chippenham (0249) 443322, ext. 670.) (741)
