OXFORDSHIRE COUNTY COUNCIL

Henley-on-Thames: Introduction of On-street Pay-and-Display and Residents' Parking and Amendment of Traffic Regulations

Notice is hereby given that the Oxfordshire County Council propose to make two Orders for the above purposes under the Road Traffic Regulation Act 1984.

The first Order (under sections 45 to 53 of the Act) is the *Oxfordshire County Council (Henley-on-Thames) (Designation and Regulation of Street Parking Places) Order 1994*. It proposes the

creation of a number of "designated parking places" as described in Schedules 1 and 2 below. These will generally replace the existing areas of limited waiting in the town centre, plus some lengths of what is presently prohibited waiting or unrestricted parking. The proposed parking places are intended primarily for the use of residents and their visitors, but with some pay-and-display parking for others in some of the roads. Schedule 1 shows the areas for the exclusive use of residents and their visitors; Schedule 2 shows the areas to be shared with other users.

Residents who wish to use the parking facility will have to obtain a permit, which will cost £75 per annum; this will allow them unlimited parking in the areas defined. "Resident" will mean a person whose usual address is in one of the lengths of road identified in Schedule 3 below. Entitlement will however be limited to two parking permits per address where there is no off-street parking or garage space and to a single permit where there is one space but no more; there will be no entitlement where there are two or more spaces.

Residents will also be able to buy a visitor's payment card (like a phonecard) which their visitors will be able to use to obtain a special ticket from the ticket machines. The cost will be 30 pence for each 24 hour period.

Pay-and-display parking for other users (in the areas not reserved for residents and their visitors) will be limited to two hours maximum, with a charge of 30p for stays of up to one hour and 40 pence for up to two hours. There will be an "excess charge" of £40 if the time limits are not observed.

The second Order (under sections 1 and 2 of, and Part IV of Schedule 9 to, the Act) is the *Oxfordshire County Council (Henley-on-Thames) (Traffic Regulation) Amendment Order 1994*. This Order proposes certain changes to the existing waiting and other traffic restrictions in Henley imposed by the general Traffic Regulation Orders for the town introduced in 1983-84 and last amended earlier this year. For the most part these changes are very minor, such as the introduction of no waiting at any time to protect accessways between the new designated parking places described above, and deletion of restrictions where they overlap the statutory protected distances either side of new pedestrian crossings. The amendments of substance are summarised in Schedule 4 below.

The opportunity is being taken at the same time to incorporate in the new Amendment Order, the main provisions of the 1984 Traffic Order relating to the former A423 trunk road through Henley, insofar as these are not superseded by the designated parking places described above. (The 1984 Order will continue but only so as to retain the bus stop clearway in Bell Street/Northfield End.)

Copies of the draft Orders, the Orders to be amended, the relevant plan and the Council's statements of reasons, are available for public inspection at County Hall, New Road, Oxford, from 9.30 a.m. to 12.30 p.m. and from 2 p.m. to 4.30 p.m. on Mondays to Fridays for the period 16th September to 14th October 1994. The documents can also be inspected at the Henley Town Council Offices, Town Hall, Market Place, Henley-on-Thames, during normal office hours over the same period.

Objections to the proposed Orders, stating the grounds on which they are made and any other representations, should be submitted in writing by 14th October 1994, to the Assistant Chief Executive (Ref. DE) at the address below.

PENDLE BOROUGH COUNCIL

Planning (Listed Buildings and Conservation Areas) Act, 1990

Designation of Conservation Area: Lomeshaye Industrial Hamlet, Nelson

Notice is hereby given that, the Borough Council of Pendle, has designated the above area as a Conservation Area, in accordance with section 69, of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Maps of the designated area may be inspected during office hours at the offices of Pendle Borough Council, Town Hall, Market Street, Nelson, Lancashire BB9 7LG.

The Conservation Area is called Lomeshaye Industrial Hamlet, Nelson, and a brief description of the designated area is as follows:

The boundaries of the designated area have been drawn around Lomeshaye Industrial Hamlet, Nelson. The boundary on the east is the M65 Motorway, on the west is the edge of the new industrial estate, to the north is north bank of Pendle Water, and to the south is the north end of Turner Road. The following streets are included in the area; Ecroyd Street, Sun Street, Calder Terrace, Holme Terrace, Lomeshaye Place, part of the southern end of Lomeshaye Way, and the eastern part of Turner Road.

The purpose of the designation is to preserve and enhance the character and appearance of the area and to ensure that special regard is paid to the architectural and visual qualities of the designated area as a whole when proposals for development are under consideration.

The effect of the designation is to impose important control on development in the area. Demolition of any building or part of a building within the area is generally an offence unless consent has been granted by the local planning authority. Where an application for planning permission is made and the development would, in the opinion of the local planning authority, affect the character or appearance of the Conservation Area, the application would be the subject of special publicity procedures under section 73 of the 1990 Act. Some types of development which are permitted by the Town and Country Planning (General Development) Order 1988, are restricted within a Conservation Area. With a very few exceptions all trees in a Conservation Area are protected. Before certain trees can be felled, topped, lopped, or uprooted it will be necessary to give at least 6 weeks notice to the Local Planning Authority and any persons found executing works against trees such as felling, lopping, chopping, uprooting and wilful destruction or damage without prior consent from the Local Planning Authority will be guilty of an offence.
