3. The certificate required above must be the original certificate except in the case of products entering Great Britain via another Member State which, in accordance with Article 11.2 (a) of Council Directive 90/675/EE(1), must be accompanied by a copy of the original certificate authenticated by and provided by the official veterinarian at the border inspection post of entry to the Community, together with a document signed by the official veterinarian at the border inspection post of entry to the Community confirming that veterinary checks have been carried out to his or her satisfaction. However, in the case of products transported by air or sea which have been transhipped in a port or airport in another Member State and which, in accordance with Article 8.4 of Council Directive 90/675/EEC have not been subject to veterinary checks in that Member State, the certificate must be the original certificate.

**Footnote:**

(1) Laying down the principles governing the organisation of the veterinary checks on products entering the Community from third countries (OJ No. L373. 31.12.90, P1) as amended by Council Directive 91/496/EEC (OJ No. L268, 24.9.91).

**Notes:**

- 1. Nothing in this licence gives exemption from any requirement, prohibition or restriction imposed by the Products of Animal Origin (Import and Export) Regulations 1992 (which restrict importation to border inspection posts approved to handle the category of products concerned and require that imports are notified in advance to the enforcement authorities), the Imported Food Regulations 1984 or the Medicines Acts 1968 and 1971 or by any regulation superseding or amending the same, or any prohibition, regulation or restriction imposed by the Department of Trade and Industry.
- 2. This is not a Department of Trade and Industry licence.
- 3. This licence will not be invalidated by transit of the products through any other third country provided they are transported in sealed containers and provided that if the goods are examined by Customs en route the containers are sealed and the documents are endorsed accordingly.

**Caution:** Any breach of any conditions attached to this licence will constitute an offence against the Animal Health Act 1981.
