This Order when made will supersede The City Road Red Route Experimental Traffic Order 1994, made on 15th February 1994.

New red lines and signs showing special restrictions to prevent stationary vehicles obstructing traffic or causing danger are being introduced. Double red lines alongside the kerb means no stopping at any time. A single red line alongside the kerb means no stopping during the working day.

Where conditions permit the marked areas will be available for all vehicles to stop and wait for periods of 1 hour or for disabled persons vehicles. Where space is limited but commercial premises have to be serviced from the road, marked areas and signs will identify where loading and unloading are permitted for up to 20 minutes.

The roads involved in the Order are City Road and part of Old Street.

If the provisions of the Order continue in operation for a period of not less than 6 months, Islington Borough Council will consider in due course whether the provisions of the Order should be reproduced and continued in force indefinitely by means of an Order under section 6 of the said Act of 1984. For the purpose of such reproduction and continuation in force, any person may, within the aforementioned period of 6 months, send a statement of their objection and the grounds thereof in writing, to the Legal Department, Town Hall, Upper Street, N1 2UD (Ref.
