LONDON BOROUGH OF EALING

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Ealing Town Centre Conservation Area, Extension to Acton Town Centre Conservation Area, Extensions to Bedford Park Conservation Area, Extensions to Canalside Conservation Area.

Notice is hereby given that on 18th October 1994, the London Borough of Ealing as Local Planning Authority designated the areas described in the Schedule to this notice as Conservation Areas in accordance with the provisions of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Conservation Areas are designated in order to preserve or enhance the character or appearance of areas of special architectural or historic interest and to stimulate and encourage initiatives to improve the environment.

The effect of designating an area as a Conservation Area is to bring the demolition of all buildings (with a few minor exceptions) under control. Anyone wishing to demolish a building within a Conservation Area must first apply to the Local Planning Authority for permission to do so. In addition, anyone wishing to carry out work to any tree exceeding 75 millimetres in diameter in a Conservation Area which is not already protected by a Tree Preservation Order, must give notice of at least 6 weeks before the works are due to be carried out. The designation of a Conservation Area also has the effect of reducing the extent of permitted development rights pertaining to dwelling houses and outbuildings.

For further information, please contact the Planning Services Division, Perceval House, 14-16 Uxbridge Road, London W5 2HL.

Detailed plans of the areas concerned have been deposited at the Planning Services Reception on the 1st Floor of Perceval House, and may be inspected between 9 a.m. and 4.30 p.m. on Mondays to Fridays.

ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD

TOWN AND COUNTRY PLANNING ACT 1990 PLANNING (LISTED BUILDING AND CONSERVATION AREAS) ACT 1990 SECTION 70(8)

Designation of a Conservation Area

Notice is hereby given pursuant to section 70(8) of the Planning (Listed Buildings and Conservation Areas) Act 1990, that at its meeting held on 13th June 1994 the Planning Board of the Council of the Royal Borough of Windsor and Maidenhead resolved to designate Conservation Areas at Pinkneys Green and White Waltham being areas in the said Royal Borough.

Pinkneys Green

The Conservation Area is centred around the triangular green at the junction of Lee Lane and Pinkneys Drive. The northern boundary of the Conservation Area follows the rear garden boundaries to the properties on the north side of Pinkneys Drive and then follows Lee Lane northwards as far as Furzedale Cottages. The western boundary goes down the back of properties fronting onto Lee Lane, terminating at No. 40 Pinkneys Drive. The southern boundary is formed around the garden curtilage of 31 Pinkneys

Drive and then follows the back garden boundaries of properties on the southern side of Pinkneys Drive ending at Pinkneys House on the corner of Lime Walk. Lime Walk and the eastern side of Craiglea form the eastern boundary to the Conservation Area.

White Waltham

The Conservation Area is centred on the area around St. Mary's Church and Bury Court Farm, White Waltham. The Northern boundary of the Conservation Area runs along the southern boundary of Waltham Road from the western edge of the field boundary along the Bury Court Farm curtilage to the eastern edge of the hedgerow on the eastern side of Church Hill. The eastern boundary runs along the eastern edge of the hedgerow trees on Church Hill around the grounds of the houses on Church Hill and the eastern edge of the Churchyard and garden to New Lodge. To the south the boundary runs along the southern side of the garden to New Lodge and then along Church Hill to the entrance to the footpath. The western boundary follows the belt of trees enclosing the public footpath to the first field boundary and then continues along the field boundary to Waltham Road.

The effect of designation is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area designated. In particular, controls are applied regarding the demolition of buildings. Certain other controls are also imposed in respect of the display of advertisements and the felling, topping and lopping etc. of trees within the areas. Penalties apply in the event of violations against certain of these controls.

Maps showing the Conservation Areas, also written statements describing them and indicating the effect of this designation are deposited at the Town Hall, St. Ives Road and Aston House, York Road, Maidenhead and the Council Offices at York House, Sheet Street, Windsor and may be inspected at any of these offices during usual business hours.

East, the boundary runs along the rear edge of land to the north of Holyport Lodge, to the head of Holyport Street and continues along Blind Lane, and then along a section of Langworthy Lane which runs in a north/south direction.

South, the boundary runs along the rear boundaries of large properties on the southern side of Langworthy Lane and to the south of the Green. The boundary follows the hedgeline which defines the rear boundary of a field adjacent to Ascot Road.

West, the boundary follows the various field and garden lines from the properties fronting onto Ascot Road in the south of the Conservation Area, up to Cresswells Farm in the north.

Littlewick Green

The Conservation Area is centred on the village of Littlewick Green and now includes St. John's Church and The Old Vicarage and rationalises the area of land included at the rear of properties in the south of the village adjacent to Mushroom Farm. The boundaries are now as follows:

North, the boundary runs along the southern edge of Bath Road (A4).

East, follows the eastern edge of a copse adjoining St. John's Cottage, runs around the vicarage garden and then follows a well defined tree/hedge screen behind the properties on Jubilee Road. At "Cartref Gan" it turns south-west and follows a line of ancient hedges between the school and allotment gardens.

South, it runs north along the eastern side of School Lane to its junction with Long Half Acre, where it follows a hedge on the western boundary. It then turns west to enclose gardens and paddocks behind Littlewick Place before running around the eastern and northern boundaries of Mushroom Farm (excluded).

West, follows the rear line of curtilages to properties fronting Coronation Road.

The effect of designation is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area designated. In particular, controls are applied regarding the demolition of buildings. Certain other controls are also imposed in respect of the display of advertisements and the felling, topping and lopping etc. of trees within the areas. Penalties apply in the event of violations against certain of these controls.

Maps showing the Conservation Areas, also written statements describing them and indicating the effect of this designation are deposited at the Town Hall, St. Ives Road and Aston House, York Road, Maidenhead and the Council Offices at York House, Sheet Street, Windsor and may be inspected at any of these offices during usual business hours.
