MELTON BOROUGH COUNCIL

PLANNING (LISTED BUILDING AND CONSERVATION AREAS) ACT 1990

Designation of Conservation Areas

AB Kettleby, Edmondthorpe, Freeby, Frisby-on-the-Wreake, Goadby Marwood, Grimston, Normanton, Pickwell, Redmile, Saxelbye, Wartnaby, Belvoir Castle, Stapleford Park.

Notice is hereby given that Melton Borough Council, as local planning authority, has determined that there are areas within the above-mentioned settlements which are considered to be of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance. The Council has, therefore, designated those areas as Conservation Areas under the provisions of sections 69 and 70 of The Planning (Listed Buildings and Conservation Areas) Act 1990.

Maps of the Conservation Areas may be inspected, free of charge, at the Planning & Technical Services Department, Nottingham Road, Melton Mowbray during normal office hours on Monday to Friday inclusive.

The main effects of the designation of the Conservation Area are as follows:

1. Conservation Area Consent will now be required for the demolition of all buildings, parts of buildings, walls or structures (other than excepted buildings) within the area.
2. Notice of all planning applications for development which, in the opinion of the local planning authority, would affect the character and appearance of the Conservation Area must now be given publicity and any representations received resulting from that publicity must be taken into account when determining the applications.
3. Most trees within Conservation Areas are given special protection. It is now an offence to cut down, lop, top or uproot a tree, subject to certain exceptions, within the Conservation Area without giving at least 6 weeks' notice of intent to the local planning authority. The Council will then determine whether or not to grant consent for the intended works.
