WATER INDUSTRY ACT 1991 SECTION 19(1)(b)

The purpose of this notice is to inform consumers in parts of Llwyngwril who might be affected by improvement work being carried out by Dŵr Cymru Cyfyngedig at its Y Gaer (Tonfannau) Water Treatment Works. The Company has found through its water quality monitoring programme that water supplied from this works has on occasion not met the standard, as required by the Water Supply (Water Quality) Regulations 1989, for total and faecal coliforms, although the water has at all times been, and remains safe to drink. Consequently the Secretary of State for Wales has notified the Company that he will carry out his duty under section 19 of the Water Industry Act 1991 and if necessary, order the Company to take appropriate steps to ensure that the water supplied will in future meet the standards required for total and faecal coliforms.

The Company has given a legally binding agreement (called an undertaking) to carry out appropriate remedial work at Y Gaer (Tonfannau) Water Treatment Works to be completed by 31st March 1995. The Secretary of State is satisfied that the Company is complying with this agreement and has informed the Company that he is satisfied by serving on them the notice printed below.

WATER INDUSTRY ACT 1991 SECTION 19(1)(b)

The Secretary of State for Wales

1. is satisfied that Dŵr Cymru Cyfyngedig "the Company" in supplying water from its Y Gaer (Tonfannau) Water Treatment Works has contravened and is likely to do so again its duty to supply wholesome water under section 68(1)(a) of the Water Industry Act 1991, and the requirement of Regulation 3(7) of the Water Supply (Water Quality) Regulations 1989, that water supplied should not contain total and faecal coliforms.
2. has notified Dŵr Cymru Cyfyngedig on 19th August 1993 that he is considering making in relation to the Company an enforcement Order under section 18 of the Water Industry Act 1991.
3. notes that Dŵr Cymru Cyfyngedig has on 8th February 1994 given an undertaking under section 19(1)(b) of the Water Industry Act 1991 to take the following steps by the dates shown:
 - (a) Maintain residual chlorine level to a target value of 1.0mg/l fully utilising telemetry and alarm operations. To continue for the duration of the undertaking.
 - (b) Build new water treatment works at Gwastadcoed. To be completed by 31st March 1995.
 - (c) Abandon Y Gaer Water Treatment Works and supply area from the new Gwastadcoed treatment works. To be completed by 31st March 1995.
 - (d) If coliform organisms detected in any sample, follow instructions given in sections 7.7 to 7.11 of "Guidance on Safeguarding the Quality of Public Water Supplies" as appropriate. To be completed as soon as analytical results become available and not more than 30 hours after the time of sampling.
4. is satisfied that Dŵr Cymru Cyfyngedig has given and is complying with an undertaking to take all such steps as appear to the Secretary of State for the time being to be appropriate to secure or facilitate compliance with the requirement of Regulation 3(7) of the Water Supply (Water Quality) Regulations 1989.

Details of the work being carried out are on the Company's public record which you may inspect at any of its offices open to the public during normal working hours.

You can find out about the work and whether your water supply is affected by telephoning the Water Company on 0874-623181, or writing to them at Plas-y-Ffynnon, Cambrian Way, Brecon, Powys LD3 7HP, and quoting DoE reference number DC 002.

A copy of the undertaking can also be seen at the offices of the Director General of Water Services, City Centre Tower, 7 Hill Street, Birmingham B5 4UA. (Ref. LG4/01/DWI.)

M. Rouse, Chief Inspector, authorised by the Secretary of State to sign in that behalf.
