## OXFORD CITY COUNCIL

*Proposed North Oxford Residents' Parking Zone and Waiting and Parking Controls*

Notice is hereby given that the Oxford City Council, as agent for the Oxfordshire County Council, proposes to make a traffic Order entitled "The City of Oxford (North Oxford) (Parking Places and Controlled Parking Zone) Order 1995."

The effect of the Order will be to introduce a comprehensive scheme of waiting and parking controls in North Oxford. Every length of road within the area will be subject to either a waiting prohibition (24-hour or daytime only) or a parking control (2 hour or 3 hour time-limited general public parking or residents'-only parking during the daytime only). A residents'-only parking scheme, a residents' visitors' parking scheme and a business permit scheme are proposed.

Full details of the schemes and eligibility for them and the waiting and parking controls may be obtained from my office but a summary of what is proposed in the various roads included within the Residents' Parking Zone is set out on the Schedule displayed with this notice.

A plan of the proposals may be examined at my office at the address given below between the hours of 9 a.m. and 4 p.m. on Mondays to Fridays. A copy of the Order and of the Council's statement of reasons for proposing to make it may also be examined in my office between the hours mentioned above.

If you wish to object to the proposals included in the Order you should send the grounds for your objection in writing to me at St. Aldate's Chambers, St. Aldate's, Oxford, by 15th February 1995. Any support for the proposals should also be sent to me by the same date.

J. C. Irwin, Head of Legal and Committee Services

Central Services Department, St. Aldate's Chambers, Oxford.
