BRECKNOCK BOROUGH COUNCIL***Notice of proposals in relation to Off-Street Parking Places Order***

Notice is hereby given that the Borough Council of Brecknock propose to make under the provisions of section 35 of the Road Traffic Regulation Act 1984, an Off-Street Parking Places Order entitled "The Borough of Brecknock (Off-Street Parking Places) Order 1995".

The general nature and effect of the Order will be to:

- (1) Regulate the use of the five Off-Street Parking Places listed below in the First Schedule, and in particular to make provision as to the vehicles or classes of vehicles which will be entitled to use them, the conditions on which they may be used and the powers whereby vehicles left in them in contravention of the Order may be removed.
- (2) Authorise the collection of parking charges by way of the "pay and display" system in the first parking place listed below in the First Schedule.
- (3) Vary two existing Off-Street Parking Places Orders so as to empower the Council to give consent for the security marking of vehicles in the various parking places covered by the two existing Orders. The proposed Order also contains a similar power of consent.

With regard to the first parking place listed in the First Schedule (i.e. the Extension to the Market Street "Pay and Display" Parking Place, Brecon):

- (a) Concise details of the proposed charges for daily parking and season tickets are as set out in the Second Schedule below.
- (b) Parking charges will be payable every day during the hours of 8 a.m. to 6 p.m.
- (c) Persons failing to purchase the requisite parking ticket from the "pay and display" ticket machines and exhibit same on their vehicles will incur an excess charge (unless the vehicle displays a valid season ticket or parking permit).
- (d) The excess charge will be £20.00 for all vehicles or £12.00 if paid within 10 days.
- (e) Certain categories of persons, including old age pensioners resident within the Borough of Brecknock and disabled persons will be able to park free of charge on satisfying certain conditions.

The above proposals (a) to (e) are identical to the provisions of the existing "pay and display" system currently operating in other off-street parking places belonging to the Council.

There will be no parking charges payable in respect of the other four parking places listed in the First Schedule below (i.e. those numbered 2 to 5).

All classes of vehicles will be able to use all of the parking places listed in the First Schedule below, except that only a disabled person's vehicle will be permitted to park in a designated disabled person's parking bay. Subject to the Council giving notice to the contrary, all the parking places will be open for use at all times except that no vehicle will be permitted to park for longer than 12 hours at any one time. These proposals correspond to provisions in existing off-street parking places orders currently regulating most of the other off-street parking places belonging to the Council.
