

C. Any meat imported under this licence shall be made available if so required for inspection by an Officer of the Ministry at any place nominated by him/her for such inspection. The importer or his agent shall afford all assistance necessary to such an officer to enable him/her to carry out the inspection in such manner as he/she shall determine and the importer shall be responsible for meeting any costs of carrying out such an inspection.

Footnote ⁽¹⁾ Laying down the principles governing the organisation of the veterinary checks on products entering the Community from third countries (OJ No. L373, 31.12.90, p1) as amended by Council Directive 91/496/EEC (OJ No. L268, 24.9.91, p56).

Notes

- Nothing in this licence gives exemption from any requirement, prohibition of restriction imposed by the Products of Animal Origin (Import and Export) Regulations 1992 (which restrict importation to border inspection posts approved to handle the category of product concerned and require that imports are notified in advance to the enforcement authorities), the Imported Food Regulations 1984 or the Medicines Act 1968 and 1971, or by any regulation superseding or amending the same, or any prohibition, regulation or restriction imposed by the Department of Trade and Industry.
- This is not a Department of Trade and Industry Licence.
- This licence will not be invalidated by transit of the products through any other third country provided they are transported in sealed containers and provided that if the goods are examined by Customs en route the containers are resealed and the documents are endorsed accordingly.

Caution

Any breach of any conditions attached to this licence will constitute an offence against the Animal Health Act 1981.

(B) WOAD/GEN/94/93 (in Wales)

Subject: Meat products (excluding those that have undergone a heat treatment in hermetically sealed container to an Fo value of 3.0 or more and poultry meat products).

Country of Origin: Australia, Canada, Hungary, New Zealand, Paraguay, Poland (excluding pigmeat products), Romania (excluding pigmeat products), Slovenia (excluding pigmeat products), Switzerland, USA.

Conditions Attaching to Licence:

- Each consignment must be accompanied by a certificate in accordance with the terms of Commission Decision 93/449/EEC (as amended) made under Council Directive 72/462/EEC (as amended) signed by an Official Veterinarian of the Government of the exporting country stating:
 - Details of consignment (species of animal, nature of pieces, nature of packaging, number of pieces or packages, required storage and transport temperature, storage life, net weight);
 - Address(es) and veterinary approval number(s) of the establishment(s) supplier(s) of fresh meat, address(es) and veterinary approval number(s) of the approved establishment(s);
 - Destination of meat products (place of loading, country and place of destination, means of transport, names and addresses of consignor and consignee). For railway wagons or goods vehicles the registration number should be given, for aircraft the flight number and for ships the name.

3. Health Attestation

I, the undersigned official veterinarian, certify that the meat products described above have been prepared from fresh meat: either

(a) satisfying the animal health requirements laid down in Articles 14, 15 and 16 of Directive 72/462/EEC and are in accordance with any Commission Decision in force at the time of certification;

or

(b) originating in a Member State of the European Economic Community and satisfying the requirements of Article 21a paragraph 1 second indent of the Directive 72/462/EEC;

Done at.....(Place) on.....(Date)

4. In the case of meat products from Hungary, Slovenia, Romania and Poland, the certificate required above must include the following annotation:

"Meat products conforming to Chapter II of Commission Decision 93/242/EEC of 30th April 1993, as last amended by decision 94/81/EC of 10th February 1994 concerning the importation into the Community of certain live animals and their products originating from certain European countries in relation to Foot and Mouth Disease."

B. The certificate required above must be the original certificate except in the case of products entering Great Britain via another Member State which, in accordance with Article 10 of Council Directive 90/675/EEC⁽¹⁾, must be accompanied by a copy of the original certificate authenticated by and provided by the official veterinarian at the border inspection post of entry to the Community, together with a document signed by the official veterinarian at the border inspection post of entry to the Community confirming that veterinary checks have been carried out to his or her satisfaction. However, in the case of products transported by air or sea which have been transhipped in a port or airport in another Member State and which, in accordance with Article 8.4 of Council Directive 90/675/EEC, have not been subject to veterinary checks in that Member State, the certificate must be the original certificate.

C. All consignments of products to which this licence refers are subject to the terms of the Products of Animal Origin (Import and Export) Regulations 1992, and any product imported under this licence shall be made available, if so required, for inspection by an officer of the Ministry at a place nominated by him/her for such inspection. In the case of consignments which enter Great Britain via another Member State, the provisions of Regulation 7 (3) of the above Regulations in particular shall apply. The importer or his agent shall afford all assistance necessary to such an officer to enable him/her to carry out the inspection in such manner as he/she shall determine and the importer shall be responsible for meeting any cost of carrying out such an inspection.

Footnote ⁽¹⁾ Laying down the principles governing the organisation of the veterinary checks on products entering the Community from third countries (OJ No. L373, 31.12.90, p1) as amended by Council Directive 91/496/EEC (OJ No. L268, 24.9.91, p56).

Notes

- Nothing in this licence gives exemption from any prohibition of restriction imposed by the Products of Animal Origin (Import and Export) Regulations 1992 (which restrict importation to border inspection posts approved to handle the category of products concerned and require that imports are notified in advance to the enforcement authorities), the Imported Food Regulations 1984 or the Medicines Act 1968 or 1971, or by any regulation superseding or amending the same, or any prohibition, regulation or restriction imposed by the Department of Trade and Industry.
- This is not a Department of Trade and Industry Licence.
- This licence will not be invalidated by transit of the products through any other third country provided they are transported in sealed containers and provided that if the goods are examined by Customs en route the containers are resealed and the documents are endorsed accordingly.

Caution

Any breach of any conditions attached to this licence will constitute an offence against the Animal Health Act 1981.
