KENNET DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990

Conservation Area at Pewsey

Notice is hereby given that in pursuance of powers conferred by section 69 of the above Act Kennet District Council has amended the boundary of the designated Conservation Area at Pewsey by including land at the Scothel and Raffin Lane Which are areas regarded as being of architectural or historic interest which it is desirable to preserve and enhance.

A plan showing the boundaries of the designated area is available for inspection during normal office hours at the Planning & Environmental Services Department, Browfort, Devizes, SN10 2AT.

Please note that it is necessary to obtain Conservation Area Consent from the Council to demolish any building, or part of a building, with certain minor exceptions, which is situated within any Conservation Area. It is an offence to carry out demolition without the necessary Consent having first been obtained.

It should be also noted that any person wishing to cut down, top, lop, or uproot any tree must give the Council 6 weeks notice of his intention to do so.

Furthermore, whereas certain minor developments may be carried out without planning permission, in a Conservation Area the extent of development allowed by the Town & Country Planning General Development Order is less than generally available. Any person wishing to carry out development in a Conservation Area is therefore strongly urged to contact the Council to ascertain if permission is required.

NORTH TYNESIDE BOROUGH COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS)
ACT 1990*Designation of Conservation Area—Wallsend St. Peters*

Notice is hereby given, that pursuant to section 69 of the above mentioned Act that on the 4th August 1994, the Council of the Borough of North Tyneside resolved to designate a conservation area at Wallsend St. Peters.

The Conservation Area lies to the east of the town centre and immediately south of Church Bank on the old turnpike between Wallsend and North Shields. It occupies a very prominent site at the top of a steep slope overlooking Wallsend Burn Close to the point where it flows first under Willington Bridge and then under Willington Viaduct into The Gut on its way to the River Tyne.

The area is relatively free from development partly due to its topography and partly because a considerable proportion of it is occupied by St. Peter's Church and its accompanying graveyard, rectory and school together with the large adjoining municipal cemetery complete with entrance lodge and chapels accessed from Church Bank. Its south and east boundaries are delineated by a few late 19th Century terraces of modest houses.

The Conservation Area is also enhanced by the close proximity of a number of listed structures, namely Willington Viaduct, the accommodation arch in Rosehill Road, Burn Closes Bridge, the Archer Street war memorial and the remains of Holy Cross Church predecessor of St. Peter's.

In accordance with The Planning (Listed buildings and Conservation Areas) Act 1990, development proposals in this area will be subject to special planning controls designed to safeguard its character or appearance which it is considered desirable to preserve or enhance. The effect of the designation is also that the consent of the Local Planning Authority will be required to demolish all or part of a building or cut down, top, lop, or uproot any tree and that the

range of development which can be carried out without planning permission is more restricted and planning applications must be given publicity.

Plans showing the boundaries of the Conservation Area can be inspected at the office of the Head of Corporate Services, 14 Northumberland Square, North Shields, between 8.30 a.m. and 5 p.m., on Monday to Thursday; and 8.30 a.m. to 4.30 p.m., on Fridays.
