

County Road leading to Overton the situation of which is indicated on Plan 1 attached to this Notice should be diverted and in part stopped up in the following manner so as to effect a shorter and more commodious route:

1. Highways to be Stopped up

From point A on Plan 2 attached to this Notice running in a general southerly direction passing through a farm gate and entering into the gravelled courtyard of Lower Faintree Farm turning in a general south-westerly direction to a second farm gate, then exiting the courtyard and turning in a general southerly direction along a track covered in stone chippings to point B on Plan 2. The approximate width of this route is 3-4 metres and its length 72 metres.

2. Highway to be Substituted

From point A on Plan 2 attached to this Notice running in a general south-westerly and then southerly direction along a track covered in stone chippings passing through a field gate and continuing along a stoned track to point B on Plan 2. The approximate width of this route is 4 metres and its length 66 metres.

Plans 1 and 2 are deposited with this Notice at the Public Library Listley Street, Bridgnorth, and at the offices of the undersigned where they can be inspected free of charge at all reasonable hours.
