ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD

Town and Country Planning Act 1990

Planning (Listed Building and Conservation Areas) Act 1990 section 70(8)

Designation of a Conservation Area

Notice is hereby given pursuant to section 70(8) of the Planning (Listed Buildings and Conservation Areas) Act 1990, that at its meeting held on 19th June 1995 the Planning Board of the Council of the Royal Borough of Windsor and Maidenhead resolved to amend the designated boundaries of the Conservation Areas at Hurley, Bisham, Burchetts Green and Shurlock Row, being areas in the said Royal Borough.

1. Hurley

The main changes to be noted are removal of areas of land at Temple Park Farm, Shepherds Close and Bell Court and the inclusion of part of Hurley Lock and Hurley Lock Island. The boundaries are now as follows:

North, the boundary starts from the western point of the rear boundary of the Old Boat House. It then cuts directly across the river in a north easterly direction to touch the bank of the island adjacent to Lock Island and the cuts across the river to follow the northern bank of Lock Island. It follows the line of the bank until it reaches the most easterly of the footbridges.

East, the boundary goes across the footbridge returning to the main land. It follows the bank, westwards until meeting the east boundary of the boat yard. It then runs due south, following the boundary of the boat yard, and the east side of Mill Lane. It continues south down the footpath adjacent to Kumara then turning west to continue following the footpath until meeting the rear boundary of the land to the rear of Ye Olde Bell Hotel. Here it turns south to run along the boundaries of the land to the east of Ye Olde Bell and the Ranch. It follows the southern boundary of the Ranch until meeting the eastern boundary of Windsor Cottage, which it turns to follow. The boundary runs due south to follow the rear boundaries of Temple Court and Long Reach, and then turns to run south east to follow the rear boundaries of Lowlands to Hurford House which is adjacent to the A4130.

South, the boundary follows A3130, on the northern edge, to include the properties from Hurford House to East Arms Hotel and the adjacent Clock Tower and offices.

West, the boundary runs north following the western boundary of the East Arms Hotel, the properties in Prospect Place and Morella Cottage. It then turns east to follow the boundary of Morella Cottage, until meeting and following the rear boundaries of Mandeville Cottages. The boundary runs north following the rear boundaries of Rosette Cottage and Clematis Cottage, and the rear of 1 & 2 Shepherds Close. It cuts directly across Shepherds Close to follow the western edge of 78 Shepherds Close turning 90 degrees to follow the boundary of 12 Bell Court, and turning again to follow the eastern boundaries of Nos. 12 to 9 Bell Court. Upon meeting the southern boundary of the Vicarage it turns 90 degrees to run east along the boundaries of the Vicarage and Bisham Brook House. It follows this boundary northwards along the boundary of Bisham Brook House to the western boundary of Dane's Cottage. It cuts directly across Shepherd's Lane and then follows the western edge of the grounds belonging to Hurley Manor, Shepherd's House and some of the Hurley Farm Buildings. It turns 90 degrees east to follow the boundary lines between the farm buildings along a farm track and runs up to Bag End. It then turns 90 degrees north to follow the

western boundary of Hurley Farm, Tithecote Manor and the land adjacent to the Old Boat House.

2. Bisham

The main changes are the exclusion of the field which lies to the south of the village and east of the abbey. The boundary is also altered to now follow the river bank rather than running down the centre of the river. The amended boundaries are as follows:

North, the boundary starts from midway across Marlow Bridge and comes towards the river bank and boundary of The Compleat Angler Hotel, which it then follows.

East, the boundary follows the eastern boundary of The Compleat Angler Hotel until reaching Quarry Wood Road, it then follows the northern side of it until cutting across the road to follow the eastern side boundary of Little Weir Cottage and the rear boundaries of The Bridge House to Orchard House. Upon meeting the footpath adjacent to Orchard House it turns 90 degrees to head west towards the Marlow Road. It then follows the eastern edge of the Marlow Road. It continues to follow the road on this side around the corner until meeting Warren Cottage. At Warren Cottage the boundary heads north to follow the boundaries of Warren Cottage. It follows the northern edge of the track leading to Town Farm and then turns northwards again to follow the boundary around the buildings at Town Farm. It then follows the boundary around the farm heading southwards and including the field between Town Farm and Vansittart Road. The boundary then follows the rear boundaries of 4 Vansittart Road to 14 Bisham Court, and then follows the boundary of the field adjacent to Bisham Court. It then cuts across the track, which serves as the entrance to the Bisham Green properties.

South, The boundary follows the south eastern edge of the play ground and continues to follow the rear boundary line of the properties on Bisham Green. Upon meeting the Marlow road the boundary cuts straight across and follows the eastern edge of the road, running along the boundary of the neighbouring field northwards. It is this field boundary which it follows to the rear of the war memorial and then turns to head southwards along the edge of Temple Lane, around the bend by 90° and then heads towards the river. At the bend in the road where Grange Cottage is sited the boundary cuts directly across the road and the field, adjacent to Grange Cottage, to meet and follow the northern boundary of the boat houses on the river bank.

West, the boundary follows the eastern side of river bank from Grange Cottage up to Marlow Bridge. It follows the edge of Marlow Bridge to include half of the bridge closest to Bisham.

3. Burchetts Green

The main amendments are the inclusion of the School, the field to the rear of Dairy Cottage and Bay Tree Cottage and the curtilage of Stubbings Farm buildings. The amended boundaries are now as follows:

North, the boundary runs along the northern boundary of The Royal Oak Public house, until it joins the road where it follows the eastern side of the road to the northern property boundary of Great Martins. It turns to follow this boundary, until it reaches the drain, where it then runs south to join the rear defined boundaries of Great Martins House through to Southview Cottages. When it reaches Martins Lane, it cuts directly across and runs along the southern edge of the road until reaching the rear boundary of Pond House.

East, The boundary follows the rear boundaries of the properties on the eastern side of the street from Pond House to Landsdowne House. It then turns to run east to include the fields to the rear of the dwellings the Landry House to The Cottage. Upon reaching the drive which runs up to Manor Farm, it cuts directly across the road turns 90 degrees, and follows the road edge to meet the boundary of the field to the east of Foxley School. It then runs south to include the field, and along the rear boundaries of the Beggars Roost.

South, The southern boundary follows the Southern boundary of Beggars Roost to meet the Binfield Road, where it cuts directly across. It follows the road edge, southwards, until meeting the boundary of the small wooded area and then follows its southern boundary and the property adjacent until meeting the footpath which runs to Baldassarre Farm. The boundary cuts across the footpath turns 90 degrees to run north and then 90 degrees west across the wooded area to meet the rear boundaries of The Cottage, which it follows. It includes the garage adjacent to the Cottage and then follows the southern edge of The Straight Mile until turning 90 degrees north to meet the western boundary of Wither Tree Cottage.

West, the boundary follows the western boundary of Wither Tree Cottage and then turns 90 degrees east to follow the rear boundary of the property until meeting the western boundary of Fox Cottage. It follows the western boundary and turns east to follow its rear boundary. It continues to follow the northern boundary of Cedar House, including the Swimming pool. It then follows the northern boundary of The Old House (formerly The Little House) until meeting the rear boundaries of the properties along The Street. It follows the line of the rear boundaries of the properties along the western side of The Street, up to Southlake Cottage. The boundary turns 90 degrees to run west to include the boundaries of South Lake House. It follows the western boundary of South Lake House, and then follows the boundaries of the fields to the rear of Shurlock House to Eastmere. It runs along the eastern boundary of the new property to the east of Pavilion Cottages until reaching Hungerford Lane. Here it cuts across the road and follows the rear boundary of The Royal Oak Public House car park.

4. *Shurlock Row*

The main amendments are the removal of the agricultural land to the west of The Street and the inclusion of two properties on Hungerford Lane and a small area of woodland adjacent to Woodcote on the Binfield Road. The amended boundaries are as follows:

East, the boundary runs on the eastern side of Hall Place Lane from the entrance to Lane-end House, down to the boundary of Little Court. Here it turns to run eastward along the boundary of Little Court to meet the rear boundary of Rosemount, on Burchetts Green road. The boundary follows the rear boundaries of the properties on Burchetts Green road southwards to meet Hall Place Lane. It then turns to follow the eastern edge of Hall Place Lane and runs directly across Burchetts Green Road and along the boundary abutting the north eastern side of Burchetts Green Lane. It then continues to follow the front boundary line of The Bungalow until reaching the track, which runs to Manor Farm. It continues along the northern edge of this track until reaching fence to the rear of Stubbings farm buildings. It turns 90 degrees and runs south including the Silos and long barn. It follows the end of the building footprint to run directly across the yard and meets the north-eastern corner of Little Stubbings barn. At this point it turns 90 degrees to run east, to follow the rear boundaries of Little Stubbings, Stubbing Gate, Old Manor Cottage and Stubbings Manor, until reaching the southern boundary of Stubbings Manor, before the woodland area.

South, the boundary follows the southern boundary of Stubbings Manor and cuts directly across Burchetts Green Lane. Here it cuts directly across the Lane, continues northwards on the western side of the lane, and follows the northern boundary of the Equestrian Centre. It then follows the north-eastern boundary of Pinnock's Wood House, until meeting the boundary of Burchetts Green School. From here the boundary runs south along the edge of Burchetts Green School, and the grazing land adjacent to it. It includes the garage belonging to Pinnock's Wood and turns through 45 degrees to follow the eastern edge of Burchetts Green Road.

West, the boundary follows the edge of the road until it turns 90 degrees and crosses the road, to follow the footpath which leads up to Ashley Hill. It turns 90 degrees to follow the rear boundary of Burchetts Green House, including the open agricultural land. It follows the boundary fence excluding the woodland fenced area, of the large area of open land to the rear of the properties between Burchetts Green House and the Dower House, and returning along the footpath on the southern side of Lane End house to the junction with Hall Place Lane.

The effect of the amendments is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area. In particular, controls area applied regarding the demolition of buildings. Certain other controls are also imposed in respect of the display of advertisements and the felling, topping and lopping etc. of trees within the areas. Penalties apply in the event of violations against certain of these controls.

Maps showing the Conservation Areas, also written statements describing them and indicating the effect of this designation are deposited at the Town Hall, St. Ives Road and Aston House, York Road, Maidenhead and may be inspected at either of these offices during usual business hours.
