### WEST OXFORDSHIRE DISTRICT COUNCIL

#### *The Planning (Listed Buildings and Conservation Areas) Act 1990* *Chastleton and Kelmscot Conservation Area*

Notice is hereby given that the West Oxfordshire District Council as the District Planning Authority has determined with effect from 2nd August 1995, for the purposes of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, that the areas described in the Schedule below are areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance and has designated them as the Chastleton and Kelmscot Conservation Areas respectively.

Copies of the formal Instruments and the plans referred to have been placed on deposit for public inspection at the Chief Executive's Department, West Oxfordshire District Council, Council Offices, Woodgreen, Witney, Oxfordshire, during normal office hours and at the places and times specified in the Schedule.

A copy of the Instruments and plans so deposited is available for inspection, free of charge, by all persons interested at the Council Office mentioned above, or at the places, and at the times detailed in the Schedule.

The effect of the said designation is that:

- (a) All planning applications for development that would affect the character of the area must be advertised and site notices posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- (b) The prior approval of the District Planning Authority may be required for the demolition of buildings within the Conservation Area (Applications for approval may be made separately or as part of an application for planning permission for the redevelopment of a site within the Conservation Area).
- (c) Certain trees within the Conservation Area cannot be felled, topped or lopped or uprooted without the consent of the West Oxfordshire District Council. If the trees are subject to wilful damage or wilful destruction an offence may have been committed.
- (d) If it is intended to demolish any building or part of a building to carry out any work which may in any way affect a tree within the Conservation Area the advice of the West Oxfordshire District Council should be sought.
- (e) The West Oxfordshire District Council as District Planning Authority will exercise particular care to ensure that change, when it occurs, does not detract from the character of the area.
