Barnsley Unitary Development Plan

Notice is hereby given that Barnsley Metropolitan Borough Council have prepared proposals for the above plan, which were made available for public inspection between 25th November 1994 and 19th January 1995. These proposals are known as the Deposit Draft Plan.

The Council has also prepared Proposed Changes to the Deposit Draft Plan. Copies of the Proposed Changes were made available for public inspection between 28th July 1995 and 8th September 1995.

It has recently been discovered that, owing to an administrative oversight, the local advertisements for the Deposit Draft Plan in November 1994 were not repeated in the consecutive week as required by regulations. The Council has therefore decided to make both the Deposit Draft Plan and the Proposed Changes available for public inspection once more, between Friday, 27th October 1995 and Thursday, 7th December 1995. The reason is to ensure that all persons who may wish to make objections or representations have an opportunity to do so.

Copies of the Deposit Draft Plan and the Proposed Changes are now available for public inspection at the Development Programme Area Reception, Central Office, Kendray Street, Barnsley, South Yorkshire, on Monday to Thursday 9 a.m. to 5 p.m. and Friday 9 a.m. to 4.30 p.m., and also during normal opening times at the Central Library, Shambles Street, Barnsley, and at Branch Libraries throughout the Borough.

Objections to, and representations in respect of, the Deposit Draft Plan and the Proposed Changes, should be sent in writing to the Head of Planning, Central Offices, Kendray Street, Barnsley, South Yorkshire S70 2TN. Objections and representations should specify the matters to which they relate and the grounds on which they are made, and may be accompanied by a request to be notified at a specified address of the withdrawal, adoption, approval or rejection of the proposals. Where possible, objectors are requested to use the official forms which are obtainable at planning reception and all the Libraries.

Objections and representations should be received at the address specified above not later than Thursday, 7th December 1995. The Council will take account of all objections and representations received by that date and will admit all such objections for consideration by the Inspector who is to hold the public local inquiry into the Unitary Development and Plan commencing on 16th January 1996.

Persons who have already lodged an objection to either the Deposit Draft Plan or the Proposed Changes, and have received an acknowledgement of receipt from the Council, need not repeat that objection now.

Warmley Conservation Area

Notice is hereby given that on 31st July 1995, the Kingswood Borough Council, acting as Local Planning Authority, made a determination, under the provisions of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, in respect of land at Warmley, Kingswood, described in the Schedule hereto, designating the said land as a conservation area as defined by the Planning (Listed Buildings and Conservation Areas) Act 1990.

It should be emphasised that the description in the Schedule is approximate only and that the precise boundaries of the conservation areas may only be accurately ascertained by inspection of the plan, referred to below.

The purpose of the designation is to preserve or enhance the character or appearance of areas of special architectural or historic interest and to ensure that special regard is paid to the architectural and visual qualities of a designated area when proposals for development are under consideration.

The effects of the designation are briefly as follows:

- (1) The total or partial demolition of buildings may require Conservation Area Consent, under the Planning (Listed Buildings and Conservation Areas) Act 1990, and unauthorised demolition may be a criminal offence.
- (2) Planning permission may now be required for some forms of development in Conservation Areas as "permitted development rights", have been removed or been reduced by the 1995 General Permitted Development Order.
- (3) Any persons proposing to do work on trees in the area is required to give 6 weeks' prior notification to the Local Planning Authority of his intention, unless the trees are already protected by a Tree Preservation Order, in which case an application for consent will be required: sections 211-214 of Town and County Planning Act 1990.
- (4) The Authority come under a duty under section 71 of the Planning (Listed Buildings and Conservation Areas) Act 1990, to formulate and publish proposals for the preservation and enhancement of the area.

- (5) Planning applications for development which would, in the opinion of the Local Planning Authority, affect the character or appearance of the conservation area must be given publicity under section 67 of the Planning (Listed Buildings and Conservation Areas) Act 1990, and representations received in consequence taken into account in determining the application (section 67(7)). Greater attention will be paid to the external appearance and aesthetic control of developments within the conservation area.

- (6) Specific statutory duties are imposed on telecommunications operators (by virtue of licences granted under the Telecommunications Code 1984).

- (7) The right to display certain types of illuminated advertisement without express consent under the Town and Country Planning (Control of Advertisements) Regulations 1992 (No. 666), Schedule 3, Class 4A and 4B is excluded.

The precise boundaries of the conservation area are shown edged with thick broken black lines on the plan that is available for inspection at the offices of the Borough Secretary, Civic Centre, High Street, Kingswood, Bristol, between the hours of 8.45 a.m. to 5 p.m. Mondays to Fridays.

R. G. King, Borough Secretary

SCHEDULE

The conservation area includes Warmley House and its associated buildings and gardens along with the former historical industrial buildings connected with William Champion's works including the Clocktower, Dalton Young Complex and adjoining land. Where Ordnance Survey house numbers and place names are used in the description of the boundary of the conservation area they refer to the 1:1250 plans.

ST6673SE (1993 edition), ST6672NE (1994 edition), ST6772NW (1995 edition) and ST6773SW (1995 edition enlarged from 1:2500).

The boundary of the conservation area (starting at the westernmost point) by the east side of the Avon Ring Road alongside The Grange School (and to the rear of No. 94 Birkdale) follows the fence adjoining the east side of the path/cycleway in a northerly direction for approximately 70 metres. At the mound and boundary fence to The Grange School it changes in an easterly direction following the playing fields and fence (skirting The Grange School buildings situated to the north) towards Siston Brook. It then returns north running alongside the west side of Siston Brook following footpath KW12 to where it joins with the access road to The Grange School. It then changes to an easterly direction running along the access road to where it joins the east side of Tower Road North. It follows the footpath on the east side of the road (Tower Road North) southwards eventually diverting from the main footpath opposite No. 42 Hinton Drive, where it runs south-west alongside the lower level path to the front of properties 42-50 Hinton Drive. It changes in a south-easterly direction following the side boundary of 50 Hinton Drive and continues in this direction to where it joins with Siston Brook. It then follows the southern side of the brook in a westerly direction (against the flow of water) to reach the east side of Tower Road South. Here it returns in a southerly direction (for approximately 10 metres) before crossing to the west side of the road at No. 8 Tower Road South. It runs in a westward direction following the northern side boundary of No. 8 Tower Road South continuing directly westward along the southern embankment of Siston Brook and skirting the northern boundary of the car park to which it eventually joins and runs alongside the south side of the brook. Where the brook twists to the north-west the boundary then changes direction to the south-west to where it joins the footpath to the rear of 41 Jeffrey Court. It then follows the path to the rear of 41-37 Jeffrey Court in a northerly direction, crossing Tower Lane and continuing (still in a generally northerly direction) along the

footpath to the west of Siston Brook passing the children's play area at the end of St. Pierre Drive and continuing along the path in a north-eastern direction to a point at the rear of 22 Montrose Drive. It then turns in a north-westerly direction along the north side boundary of 22 Montrose Drive, and follows the fence which marks the boundary between the residential development and The Grange School playing fields to a point at the rear of 94 Birkdale adjoining the Avon Ring Road and the starting point.

ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD

TOWN AND COUNTRY PLANNING ACT 1990

PLANNING (LISTED BUILDING AND CONSERVATION AREAS) ACT 1990, SECTION 70(8)

Designation of a Conservation Area

Notice is hereby given, pursuant to section 70(8) of the Planning (Listed Buildings and Conservation Areas) Act 1990, that, at its meeting held on 16th October 1995, the Planning Board of the Council of the Royal Borough of Windsor and Maidenhead resolved to amend the designated boundaries of the Conservation Area at Maidenhead Town Centre, being an area in the said Royal Borough.

The main changes to be noted are the inclusion of the areas to the High Street leading up to Providence Place, the church of St. Andrews and St. Mary Magdalene and 21 Broadway, and the removal of the area to the rear of the properties 63 the High Street to 12 Queens Street. The boundaries are now as follows:

North: The boundary runs along West Street on the south side following the kerb from the corner where it meets the ring road to the corner of Market Street. The boundary then turns and

follows the kerb around to the south to cross the parking spaces to follow the southern kerb of Providence Place until meeting to follow the edge of the footbridge. It turns to run south, along the wall of St. Andrew's House until reaching St. Andrew's Chapel. It turns to run east along the northern edge, crossing St. Mary's Close to follow the wall of the vicarage and the northern wall of the Church Hall. It follows in tightly behind the hall and turns to follow the rear boundary of the Bear Hotel and the rear boundaries of the buildings nos. 6 and 4 the High Street and 1 to 13 the Colonnade until it reaches Crown Lane.

South: The boundary follows the western kerb of Crown Lane, heading southwards, across the High Street to follow the western kerb of Bridge Avenue. The boundary then turns west to follow the northern outer wall of the vacant cinema building and to continue down to the bank of York Stream. Upon meeting the stream the boundary turns to run south-west following the bank until turning west to meet the rear property boundary of nos. 1 to 5 High Street. It continues west to follow the wall of the car park in the rear of 11 and 9 St. Ives Road, and continues crossing over St. Ives Road to follow the rear boundaries of nos. 13 to 21 the High Street. On meeting Old Post Office Lane the boundary turns to include the land to the rear of the Old Post Office and continues to follow the southern boundary of 1 Park Street. It turns to head north along the front facade of no. 1 Park Street, until continuing across Park Street to follow the rear boundaries of nos. 37 and 39 the High Street. Upon meeting the rear boundary of 11 Queen Street, it turns to head south along the rear boundaries of nos. 11 to 23 Queen Street and then follows the building line of nos. 25 to 39. The boundary turns east to run along the rear walls of 25 to 29 Broadway, and turns around the building of no. 29A to run along the fronts of these buildings. The boundary runs west to cross Queen Street and follows a kerb round until reaching the ramp leading up to the Nicholsons Walk car park, which it turns north to follow the eastern edge. Upon reaching Brock Lane the boundary crosses the lane, turns east until it reaches the rear wall of no. 12 Queen Street. The boundary then follows the rear walls of no. 12 Queen Street round to no. 51 the High Street and then turns to head north and turns again to include the two front units of Nicholsons Walk and continue to meet White Hart Road. From here it follows the rear boundaries of nos. 69 to 75A. It crosses the entrance to Nicholsons Walk Shopping Centre to include the two units fronting on to the High Street, and then follows the northern line of Nicholsons Lane. It cuts directly across Kings Road to follow the kerb and then the building line of the High Street Methodist Church. It turns north to continue following the building line of the church and then crosses the High Street and follows the kerb of the ring road until meeting West Street.

The effect of designation is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area designated. In particular, controls are applied regarding the demolition of buildings. Certain other controls are also imposed in respect of the display of advertisements and the felling, topping and lopping, etc., of trees within the areas. Penalties apply in the event of violations against certain of these controls.

The map showing the Conservation Area, also a written Statement describing it and indicating the effect of this designation, are deposited at the Town Hall, St. Ives Road and Aston House, York Road, Maidenhead, and may be inspected at either of these offices during usual business hours.

MISCELLANEOUS
PUBLIC NOTICES

NATIONAL RIVERS AUTHORITY (WELSH REGION)

SALMON AND FRESHWATER FISHERIES ACT 1975

Review of Net Limitation Orders

Following a review by the Welsh Region of the National Rivers Authority of the following Net Limitation Orders:-

1. *The Welsh Water Authority (Limitation of Net Fishing Licences) (Menai Strait) Order 1986*, which expires on 28th August 1996; and
2. *The Welsh Water Authority (Limitation of Net Fishing Licences) Order 1985*, which expires on 10th December 1995 ("the 1985 Order");

the National Rivers Authority made 20 Net Limitation Orders under section 26 of the Salmon and Freshwater Fisheries Act 1975, in January 1995. These were submitted to the Secretary of State for

Wales for confirmation in June 1995. Each Order limits the number of net licences which may be issued by the Authority for fishing, in those parts of the Authority's area to which the Order applies, for salmon or trout other than rainbow trout and sets out the method of application for and allocation of net licences.

On 19th October 1995, the Secretary of State for Wales informed the National Rivers Authority that he would be causing a local inquiry to be held into the following of the 20 Net Limitation Orders referred to above:

- (a) *The National Rivers Authority (River Dee) (Limitation of Net Fishing Licences) Order 1995;*
- (b) *The National Rivers Authority (River Usk and Bristol Channel) (Limitation of Net Fishing Licences) Order 1995;*
- (c) *The National Rivers Authority (Rivers Eastern and Western Cleddau) (Limitation of Net Fishing Licences) Order 1995;* and
- (d) *The National Rivers Authority (River Teifi) (Limitation of Net Fishing Licences) Order 1995.*

The result is that as these Orders will not take effect unless and until they are confirmed by the Secretary of State following the local inquiry, fishing for salmon or trout other than rainbow trout with an instrument other than rod and line in the river Dee, the river Usk and the Bristol Channel, the rivers Eastern and Western Cleddau, and the river Teifi, will shortly be unregulated by Net Limitation Orders as the 1985 Order expires on 10th December 1995.

Notice is hereby given that the National Rivers Authority has therefore made the following Net Limitation Order under section 26 of the Salmon and Freshwater Fisheries Act 1975:-

The National Rivers Authority (Limitation of Net Fishing Licences) Order 1995

The Order continues for a further two years the relevant provisions in the 1985 Order so as to maintain the status quo whilst the local inquiry is held and the Inspector's report considered, with the exception that the dates for the application and allocation of fishing licences, pursuant to the Order, have been changed from 1st November and 15th December to 31st December and 15th February the following year respectively.

Notice is hereby further given that it is the intention of the Secretary of State for Wales to confirm this Order.

Copies of the Order have been deposited at the offices of the Authority at the addresses given below and will be open to inspection, free of charge, from Monday to Friday during normal office hours from the date of this notice until Friday, 17th November 1995. During the same period copies of the Order will be supplied on demand, free of charge, to any person at one of the offices listed below. Copies may also be obtained by post from the undersigned:

Regional Head Office and South-Eastern Area Office: Plas-yr-Afon, St. Mellons Business Park, St. Mellons, Cardiff CF3 0LT.
South-Western Area Office: Llys Afon, Hawthorn Rise, Haverfordwest, Dyfed SA61 2BQ.

Northern District Office: Shire Hall, Mold, CH7 6FA.

Any objection to the confirmation of the Order may be made in writing and addressed to P. V. Edwards, Welsh Office, Agriculture Department, 2B Fisheries Section, Cathays Park, Cardiff CF1 3NQ, on or before Saturday, 18th November 1995, and at the same time a copy of the objection should be forwarded to the undersigned.
