READING BOROUGH COUNCIL

Proposed Installation of Speed Cushions in Addington Road, Reading, Berkshire

Notice is hereby given that, on 21st September 1995, Reading Borough Council, under arrangements made under section 101 of the Local Government Act 1972, decided to install speed cushions as authorised by section 90(A)(1) and 90(D)(4) of the Highways Act 1980, in Addington Road, Reading.

Reading Borough Council propose to install:

- (a) Nine 65 millimetre high speed cushions in Addington Road between its junctions with Craven Road and Erleigh Road, and
- (b) two 50 millimetre high speed cushions in Addington Road between its junctions with Craven Road and Redlands Road.

A speed cushion is a form of road hump with gaps to allow larger vehicles such as buses and emergency service vehicles to pass without undue inconvenience but still reduce the speed of cars.

The proposal is designed to reduce the number of injury accidents on the road and improve road safety for all users by reducing vehicle speeds.

A plan showing the proposed siting of the speed cushions may be inspected at the Main Reception Desk, Civic Centre, Reading, between 9 a.m. and 5 p.m., Monday to Friday.

If you wish to object to these proposals send your objections in writing to the address below by 1st December 1995.
