The Order comes into operation on 4th December 1995.

The Order relates to the car park at the Pennington Flash Country Park. The reason for making the Order is to increase the size of the existing car park to accommodate the additional vehicles wishing to park on the car park due to increased use of the Pennington Flash Country Park. The charge for parking on the car park extension and charging hours are the same as the current car park, namely, 60 pence per day and midnight to midnight each day, respectively.

The Order also provides for the payment of a penalty charge of £25 when the prescribed initial charge is not paid when a vehicle is first left in the car park and for the payment of an excess charge of £25 where a vehicle remains in the car park after the expiry of the period for which payment has been made and for the payment of a penalty charge of £25 where the driver of any vehicle fails to comply with any of the provisions of the Order. The Order also provides for the above charges of £25 to be reduced to £15 if paid within 14 days of the notice being attached to the vehicle.

The car park is available for use by motor vehicles which are constructed or adapted for the carriage of not more than seven persons (excluding the driver) or of goods, and which have a weight not exceeding 1,525 kilograms. It may also be used by motor cycles and invalid carriages. A vehicle may not remain in the car park for more than 24 hours.

The Order comes into operation on 4th December 1995.

The Order relates to the car parks at the Pennington Flash and Haigh Country Parks. The effect of the Order is to:

1. Introduce a penalty charge of £25 in respect of any driver who fails to comply with any of the provisions of the Orders which regulate the use of the two aforementioned car parks.

2.
