Pursuant to the provisions of Article 1(2) of the above-mentioned Orders and further to his notice of 18th September 1995, the Secretary of State for Foreign and Commonwealth Affairs hereby gives notice that, by Resolution 1022 (1995) adopted on 22nd November 1995, the Security Council of the United Nations has decided to suspend indefinitely (with immediate effect) the operation of the measures imposed by Resolutions 757 (1992), 820 (1993), 942 (1994) and other relevant resolutions which imposed certain measures in relation to Serbia and Montenegro and the United Nations Protected Areas of the Republic of Croatia, with the exception that certain assets frozen or impounded pursuant to Resolutions 757 (1992) and 820 (1993) shall remain frozen or impounded as provided in Paragraph 5 of Resolution 1022 (1995).

By Resolution 1022 (1995) the Security Council further decided that, on the occurrence of certain events specified in the resolution, (a) the suspension would be extended to the measures imposed in relation to the areas of Republic of Bosnia and Herzegovina controlled by the Bosnian Serb Forces, (b) the measures would be automatically reimposed, or (c) the measures would be cancelled. In any of these cases a further notice will be issued.

By Resolution 1022 (1995) the Security Council further decides that States shall continue to ensure that there shall be no claim in connection with the performance of any contract or other transaction where such performance was affected by the measures imposed by the resolutions referred to above and related resolutions.

Security Council RESOLUTION 1022 (1995)

*Adopted by the Security Council at its 3595th Meeting, on
22nd November 1995*

The Security Council,

Recalling all its previous relevant resolutions concerning the conflicts in the former Yugoslavia.

Reaffirming its commitment to a negotiated political settlement of the conflicts in the former Yugoslavia, preserving the territorial integrity of all States there within their internationally recognized borders.

Commending the efforts of the international community, including those of the Contact Group, to assist the parties in reaching a settlement.

Praising the decision of the Governments of the Republic of Bosnia and Herzegovina, the Republic of Croatia and the Federal Republic of Yugoslavia to attend and participate constructively in proximity talks in the United States of America, and *acknowledging with appreciation* the efforts made by these Governments to reach a lasting peace settlement in Bosnia and Herzegovina.

Welcoming the initialling of the General Framework Agreement for Peace in Bosnia and Herzegovina and the Annexes thereto (collectively the Peace Agreement) by the Republic of Bosnia and Herzegovina, the Republic of Croatia and the Federal Republic of Yugoslavia and the other parties thereto on 21st November 1995, in Dayton, Ohio, signifying agreement between the parties to sign formally the Peace Agreement.

Noting the Concluding Statement issued at the adjournment of the proximity talks, in which all parties undertook, *inter alia*, to assist in locating the two French pilots in Bosnia and Herzegovina and to ensure their immediate and safe return.

Stressing the need for all parties to comply fully with all provisions of the Peace Agreement.

Noting that compliance with the requests and orders of the International Tribunal for the former Yugoslavia constitutes an essential aspect of implementing the Peace Agreement.

Recognising the interests of all States in the implementation of the suspension and subsequent termination of measures imposed by the Council, and in particular the interests of the successor States to the State formerly known as the Socialist Federal Republic of Yugoslavia, with respect to the disposition of assets affected by the fact that that State has ceased to exist, and the desirability of accelerating the process now under way under the auspices of the International Conference on the Former Yugoslavia (ICFY) to reach a consensual agreement among the successor States as to the disposition of such assets.

Determining that the situation in the region continues to constitute a threat to international peace and security.

Acting under Chapter VII of the Charter of the United Nations.

1. *Decides* that the measures imposed by or reaffirmed in Resolutions 757 (1992), 787 (1992), 820 (1993), 942 (1994), 943 (1994), 988 (1995), 992 (1995), 1003 (1995) and 1015 (1995) are suspended indefinitely with immediate effect subject to the provisions of Paragraphs 2 to 5 below, and provided that if the Secretary-General reports to the Council that the Federal Republic of Yugoslavia has failed formally to sign the Peace Agreement on the date announced by the Contact Group for such purposes, and that the other parties thereto have expressed their readiness so to sign, the measures described above shall be automatically reimposed from the fifth day following the date of such report.

2. *Decides also* that the suspension referred to in Paragraph 1 above shall not apply to the measures imposed on the Bosnian Serb party until the day after the commander of the international force to be deployed in accordance with the Peace Agreement, on the basis of a report transmitted through the appropriate political authorities, informs the Council via the Secretary-General that all Bosnian Serb forces have withdrawn behind the zones of separation established in the Peace Agreement; and *urges* all parties concerned to take all necessary measures to assist in locating the two French pilots mission in Bosnia and Herzegovina, and to ensure their immediate and safe return.

3. *Further decides* that if at any time, with regard to a matter within the scope of their respective mandates and after joint consultation if appropriate, either the High Representative described in the Peace Agreement, or the commander of the international force to be deployed in accordance with the Peace Agreement, on the basis of a report transmitted through the appropriate political authorities, informs the Council via the Secretary-General that the Federal Republic of Yugoslavia or the Bosnian Serb authorities are failing significantly to meet their obligations under the Peace Agreement, the suspension referred to in Paragraph 1 above shall terminate on the fifth day following the

Council's receipt of such a report, unless the Council decides otherwise taking into consideration the nature of the non-compliance.

4. *Further decides* that it will terminate the measures described in Paragraph 1 above on the tenth day following the occurrence of the first free and fair elections provided for in Annex 3 of the Peace Agreement, provided that the Bosnian Serb forces have withdrawn from, and have continued to respect, the zones of separation as provided in the Peace Agreement.

5. *Further decides* that so long as the measures referred to in Paragraph 1 above remain suspended, or are terminated by a subsequent Council decision in accordance with Paragraph 4 above, all funds and assets previously frozen or impounded pursuant to Resolutions 757 (1992) and 820 (1993) may be released by States in accordance with law, provided that any such funds and assets that are subject to any claims, liens, judgements, or encumbrances, or which are the funds or assets of any person, partnership, corporation, or other entity found or deemed insolvent under law or the accounting principles prevailing in such State, shall remain frozen or impounded until released in accordance with applicable law, and *decides further* that obligations of States related to freezing or impounding funds and assets contained in such resolutions shall be suspended pursuant to Paragraph 1 above with respect to all funds and assets not currently frozen or impounded until the measures concerned are terminated by a subsequent Council decision.

6. *Further decides* that the suspension or termination of obligations pursuant to this resolution is without prejudice to claims of successor States to the former Socialist Federal Republic of Yugoslavia with respect to funds and assets; *stresses* the need for the successor States to reach agreement on the distribution of funds and assets and the allocation of liabilities of the former Socialist Federal Republic of Yugoslavia; *encourages* all States to make provision under their national law for the addressing competing claims of States, as well as claims of private parties affecting funds and assets; and *further encourages* States to take appropriate measures to facilitate the expeditious collection of any funds and assets by the appropriate parties and the resolution of claims related thereto.

7. *Further decides* that all States shall continue to take the necessary measures to ensure that there shall be no claim in connection with the performance of any contract or other transaction where such performance was affected by the measures imposed by the resolutions referred to in Paragraph 1 above and related resolutions.

8. *Requests* the Committee established pursuant to Resolution 724 (1991) to review and to amend its guidelines in the light of the provisions of this Resolution.

9. *Pays tribute* to the neighbouring States, the ICFY mission, the European Union/Organization for Security and Cooperation in European Sanctions Coordinator, the Sanctions Communications Centre and the Sanctions Assistance Missions, the Western European Union operation on the Danube and the North Atlantic Treaty Organization/Western European Union Sharp Guard operation in the Adriatic Sea and for their significant contribution to the achievement of a negotiated peace.

10. *Decides* to remain seized of the matter.

24th November 1995.
