YORKSHIRE WATER SERVICES LIMITED

Application for Drought Order—River Ouse

Notice is given that Yorkshire Water Services Limited ("the Company") is applying to the Secretary of State for the Environment for an Order (to remain in force for six months), under sections 73 and 74 of the Water Resources Act 1991, authorising temporary modifications to the licence authorising the Company to abstract water from the River Ouse at Moor Monkton between National Grid Reference SE 512578 and SE 528577.

The Company's existing abstraction licence permits the Company to abstract up to 99 tcmd (thousand cubic metres per day) of water during any time when the flow in the River Ouse is greater than 1000 tcmd as measured at the NRA gauging station at Skelton. When that flow is less than 1000 tcmd, then the amount abstracted must not exceed 68 tcmd.

On 9th January 1996, the Secretary of State for the Environment made an Order (SI 1996/50), which is effective until 31st March 1996, and which authorises the Company to abstract up to 144 tcmd. However, the maximum abstraction rate is limited to 68 tcmd when the flow of water in the River Ouse is less than:

1. 450 tcmd;
2. 600 tcmd but is more than 450 tcmd and the total amount of water contained in the Company's Fewston, Swinsty, Thruscross, Lindley Wood and Eccup reservoirs exceeds 3944 tcm;
3. 800 tcmd but is more than 600 tcmd and the total amount of water exceeds 7888 tcm.

The Order now being sought, is to extend this existing Order for a further period of six months. Alternatively, if the existing Order expires, then the application is for a new Order, in the same terms as SI 1996/50, and to remain in force for a period of six months from the date it is granted.

Within seven days from the date of service or publication of this Notice, copies of the application may be inspected, during all reasonable hours, at the offices of Yorkshire Water Services Limited, Western House, Western Way, Halifax Road, Bradford BD6 2LZ (tel: 01274 691111) and 2 The Embankment, Sovereign Street, Leeds LS1 4BG (tel: 0113 2343234) and objections to the application may be made to the Secretary of State for the Environment (c/o A. S. Wheeler), Water Resources and Marine Division, Room B463, Romney House, 43 Marsham Street, London SW1P 3PY.

Should it appear to the Secretary of State that the Order is required to be made urgently if it is to enable the Company effectively to meet the deficiency of applies in its area, he may direct that the holding of a public local enquiry, or a hearing by a person appointed by him, should be dispensed with.
