LAND COMPENSATION ACT 1973 (AS AMENDED)

The Secretary of State for Transport hereby gives notice that the public works detailed in the Schedule below were first used by public traffic on 17th March 1996, after the completion of carriageway alterations at the junction of the A4 with Syon Lane Road.

2. Under Part 1 of the Land Compensation Act 1973 (as amended) there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways or the use of other public works and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge on to the land

in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date 12 months after the works are first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

3. Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgages and persons entitled under trusts or settlements. However, no compensation can be paid under Part 1 where part of a property has been acquired for the purpose of constructing the highway.

4. Any person with a qualifying interest who considers he has a claim under the said provisions may obtain further information and claim forms from the Lands and Compensation Division of the London Regional Office of the Highways Agency, St. Christopher House, Southwark Street, London SE1 0TE. The publication of this notice does not necessarily mean that depreciation compensation will arise for the purposes of Part 1 of the above-mentioned Act.

5. Claims may be made from 17th March 1996 (the first claim date) which is 12 months after the works were first used after completion.

Claims should be made within six years from this date. However, any person who within the 12 months preceding that date makes a contract for disposing of his interest or (insofar as the interest is in land which is not a dwelling) for granting a tenancy may make a claim within that period and must do so before the interest is disposed of or the tenancy granted. Compensation in such cases will not be payable before the first claim day.

J. L. T. Hardy, a Grade 7 Official, London Regional Office, Highways Agency.
