

Parties (a term defined under Condition 16B.10 of the BT licence), that a service should be provided by BT as a Network Service. Sub-paragraph (d) of the definition of 'Systems Business' would be deleted and replaced with a reference to the provision of Network Services, preserving the saving with respect to the generality of sub-paragraph (a) of that definition.

A provision would be inserted after Condition 18.3 obliging BT to maintain a list of services agreed to be provided as a Network Service, a copy of which would be provided to the Director 14 days after agreement had been reached. The list would also be published by BT in accordance with its existing obligations under Condition 16.3.
