## ELECTRICITY NOTICES

#### MOBIL NORTH SEA LIMITED

##### *Notice of an application for consent to construct a Combined Cycle Gas Turbine Generating Station at Coryton, Essex*

Notice is hereby given that Mobil North Sea Limited (MNSL) has applied to the Electricity Directorate of the Department of Trade and Industry (DTI) under section 36 of the Electricity Act 1989 (the Act) for the consent of the Secretary of State for Trade and Industry to construct a Combined Cycle Gas Turbine (CCGT) generating station "the plant" on land adjacent to The Manorway (A1014),

Coryton, Essex; and for a direction under paragraph 7 of Schedule 8 to the Act that planning permission for the development be deemed to be granted.

The plant would have a normal electrical power generation output of approximately 720 MW at an average ambient temperature of 10.6°C and the facility to export steam at a future date. The development would comprise two gas turbine generators (ISO rated at approximately 230 MW per unit) and a steam turbine (ISO rated at approximately 260 MW).

This application is based on a previous proposal for a CCGT generating station at this location which has already received section 36 consent. By implementing the most up-to-date technology and designs there will be considerably less environmental impact on the local environment, ecology and communities.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the Environmental Statement discussing the proposals in more detail and presenting an analysis of the environmental implications, are available for inspection during normal office hours at the following addresses:

Essex County Council, Civic Hall, Chelmsford, Essex CM1 1QH.  
Thurrock Borough Council, Civic Offices, New Road, Grays,  
Essex RM17 1SL.

Mobil North Sea Limited, Mobil Court, 3 Clements Inn, London

In addition, copies of the Environment Statement may be obtained at a cost of £30 (all proceeds to English Nature) by telephoning Mr. C. Sharpe on 01224 855369 whilst stocks last.

Any objections should be made in writing to Mr. G. Mohammed, Electricity Directorate, Department of Trade and Industry, 1 Victoria Street, London SW1H 0ET, identifying the development and stating the grounds of the objection, not later than 28 days after the date of this notice.

## CHERWELL DISTRICT COUNCIL

## PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Notice is hereby given that the Cherwell District Council has, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, amended the area of the Rousham

and Steeple Aston Conservation Areas as described in the Schedule below. A plan of the said area may be inspected at the Cherwell District Council Offices, Bodicote House, Bodicote, Banbury, Oxfordshire, or at the Area Office, 38 Market Square, Bicester during normal office hours.

The effects of the designation are:

- (a) All planning applications for development which would affect the character of the area must be advertised and the site notices must be posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- (b) Cherwell District Council, as the local planning authority, will exercise particular care to ensure that change, when it occurs, will preserve or enhance the appearance and character of the area.
- (c) No building in a conservation area may be demolished or partially demolished without conservation area consent having first been obtained from the local planning authority. (For alteration, demolition or extension of listed buildings in a conservation area, listed-building consent must be applied for, and this takes precedence over conservation area consent.) Exceptions to this rule are those laid down in section 75 of the Planning (Listed Buildings and Conservation Areas) Act 1990, and paragraph 4.25 of PPG15. These exceptions mainly affect small buildings within the curtilage of a dwellinghouse; gates, walls, fences or other enclosures below a certain height; temporary buildings; certain agricultural and industrial buildings; and buildings required to be demolished under the provisions of the Town and Country Planning Act 1990, the Housing Act 1985 or the Pastoral Measure 1983. Planning permission is required for some alterations to dwellings due to their locations within a conservation area. This control is exercised over all dormer windows and external cladding.
- (d) It is an offence to cut down, top, lop, uproot or wilfully damage or destroy any tree (not already the subject of a tree preservation order) in a conservation area without giving 6 weeks' notice to the District Council. This provision does not relate to trees covered by a felling licence, to dead trees, to trees which do not exceed 75 mm (3 inches approx.) in diameter, or to certain other trees, details of which can be obtained from the address above.
- (e) Cherwell District Council, as the local planning authority, will require planning applications in the Conservation Area to be accompanied by sufficient details to enable the impact of the proposed development on the character of the Conservation Area to be assessed. This may include details of scale, massing, design and materials of buildings and their relationship to existing buildings.

G. J. Handley, Chief Executive
