ENVIRONMENT AGENCY SOUTHERN REGION

Notice of application to vary licence to abstract water

Take notice that Southern Water Services Limited, of Southern House, Yeoman Road, Worthing BN13 3NX, is applying to the Environment Agency to vary licence serial number 9/40/6/163/SR to abstract water for public water supply from Darwell Reservoir, East Sussex, at National Grid Reference TQ 7208 2106.

The variation being applied for is to add to this licence the equivalent of the quantity that may be abstracted annually from nearby Powdermill Reservoir at National Grid Reference TQ 8105 1933 under licence serial number 9/40/6/159/SR. At present, the quantity that may be abstracted annually from Darwell Reservoir is 8,462,310 cubic metres, and that from Powdermill Reservoir is 2,727,660 cubic metres, together totalling 11,189,970 cubic metres. The variation sought will allow up to 11,189,970 cubic metres to be abstracted annually from Darwell Reservoir, provided that no more than 11,189,970 cubic metres may be abstracted annually from both Darwell and Powdermill Reservoirs taken together. There will therefore be no increase in the total authorised annual abstraction from the two reservoirs in aggregate, nor any other changes to the licences.

Darwell and Powdermill Reservoirs both serve the Company's supply area from St. Leonards to Rye, East Sussex. Recent changes, including the construction of a pipeline to transfer water from Bewl Water Reservoir to support Darwell Reservoir, mean there is scope for increased security and efficient operation if there is greater flexibility in the conjunctive use of the two sources. This will enable the Company to meet demand for water in the area until the next century, without new reservoirs or other major schemes and without significant environmental impact.

A copy of the application and of a map and other documents submitted with it may be inspected, free of charge, at all reasonable hours at Robertsbridge Post Office, 22 High Street, Robertsbridge, East Sussex, between 28th June and 26th July 1996.

Any person who wishes to make representations about the application should do so in writing to the Environment Agency, Millbrook House, Mill Street, East Malling, Kent ME19 6BU, before the end of the said period.
