OXFORD CITY COUNCIL

Disabled Persons' Parking Places, Cherwell, East, Headington, Marston and St. Clement's Wards

[Control of use]

Notice is hereby given that the Oxford City Council, as agent for the Oxfordshire County Council, on 4th July 1996, made an Order entitled "The City of Oxford (Disabled Persons' Parking Places) Order 1996", to control the use of disabled persons' parking places in Cherwell, East, Headington, Marston, and St. Clement's Wards. The Order will come into operation on 7th July 1996. The proposals were described in a notice in *The London Gazette* Issue No. 54224, dated 24th November 1995. At present the disabled persons' parking places, which have been marked out on street in these areas have no legal status and therefore if a vehicle not displaying a disabled drivers' badge is parked in one of these parking places enforcement action cannot be taken because no offence is being committed. The Order restricts the use of disabled persons' parking places in these areas to vehicles displaying a disabled driver's badge and thus enables effective enforcement to be carried out if other vehicles park in these parking places.

2. A copy of the Order mentioned in paragraph 1 above, the Council's statement of reasons for making the Order and plans showing the effect of the Order may be examined in my office, between 9 a.m. and 4 p.m. on Mondays to Fridays, until 15th August 1996.

3. If you wish to question the validity of the Order on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or that any other legal requirement has not been complied with in relation to the Order, you may, within 6 weeks of the date of this notice, apply to the High Court for this purpose.

The proposals were described in a notice in *The London Gazette* Issue No. 54224, dated 24th November 1995. The Order will come into operation on 7th July 1996.

2. The effect of the traffic Order will be to introduce revised waiting and parking controls, and a business permit scheme, in the West Oxford residents' parking zone area as follows:

To remove all 24-hour general public parking places except for short lengths in Binsey Lane and Cripsey Place.

To remove all 3 hour and 30 minute general public parking places.

To provide 1 hour and 2 hour general public parking places in parts of Abbey Road, Alexandra Road, Binsey Lane, Botley Road, Bridge Street, Cripsey Place, Cripsey Road, East Street,

Harley Road, Helen Road, Henry Road, Hillview Road, Mill Street, North Street, Oatlands Road, Osney Lane and Riverside Road.

To increase residents' only parking places in all roads *except* Botley Road, Cripsey Place, Doyley Road, Ferry Hinksey Road and Henry Road.

To introduce a business permit scheme for businesses which are based within the West Oxford residents' parking zone area. The main features of the scheme are that businesses will be entitled to a maximum of two business permits and will qualify only if they have less than two off-street parking places at or in the vicinity of their premises. The cost of each business permit will be £25 per quarter year.

To exclude, as provided for in planning agreements, the new properties in Harley Road (Nos. 2-20A even) and Riverside Road (Nos. 1-21A odd), from the residents' parking permit provisions of the Residents Parking Zone (i.e. the occupiers of the properties will *not* be eligible for residents' parking permits).

OXFORD CITY COUNCIL

Summertown Area—Amendments to Traffic Regulation Orders

Notice is hereby given that the Oxford City Council, as agent for the Oxfordshire County Council, proposes to make traffic Orders entitled as follows:

- (a) The City of Oxford (Various Streets, Summertown) (Traffic Regulation) Order 1996;
- (b) The City of Oxford (Summertown) (Controlled Parking Zone) Order 1996;
- (c) The City of Oxford (Banbury Road and Woodstock Road Side Roads) (Waiting and Parking Controls) Order 1996.

Those Orders revoke Orders similarly entitled as in (b) and (c) above and the three Orders substantially repeat their provisions. Orders (b) and (c) correctly describe the waiting and parking controls which exist on street whereas there are discrepancies in the existing Orders between their descriptions of waiting and parking controls and the provisions on street. Order (a) above contains provisions relating to one-way streets, turning movement and no-entry restrictions, all of which are at present contained in existing Orders. These provisions are now to be included in a separate Order for ease of enforcement when local authority enforcement of waiting and parking controls is introduced in Oxford.

A copy of the Orders and of the Council's statement of reasons for proposing to make them may be examined in my office between the hours of 9 a.m. and 4 p.m. on Mondays to Fridays.

If you wish to object to the proposals mentioned above you should send the grounds for your objection in writing to me at St. Aldate's Chambers, St. Aldate's, Oxford, by 26th July 1996. Any support for the proposals should also be sent to me by the same date.
