Notice is hereby given that Kennet District Council, in pursuance of powers conferred by section 69 of the above Act, has designated revised Conservation Areas at Enford and East Chisenbury, being settlements of architectural or historic interest, which it is desirable to preserve and enhance. The Council has also adopted Designation Statements for the Conservation Areas as Supplementary Planning Guidance.

Please note that it is necessary to obtain Conservation Area Consent from the council to demolish any building, or part of a building, with certain minor exceptions, which is situated within any Conservation Area. It is an offence to carry out demolition without the necessary consent having first been obtained.

Furthermore, it should be noted that any person wishing to cut down, top, lop or uproot any tree must give the council 6 week's notice of his or her intention to do so. Again, it is an offence to carry out such works without first having given the prescribed notice.

Whereas certain minor developments may be carried out without express planning permission from the council, in a Conservation Area the extent of development allowed by the Town and County Planning (General Permitted Development) Order 1995, is less than is generally available. Any person wishing to carry out development in a Conservation Area is strongly urged to contact the council to ascertain whether permission is required.
